

2023 MEMBERSHIP APPLICATION

The California Reined Cow Horse Association is a National Reined Cow Horse Association affiliate member dedicated to preserving the vaquero tradition of training and exhibiting reined cow horses in California.

CRCHA shows offer a full slate of NRCHA and CRCHA approved open and non pro reined cow horse classes, providing a place for exhibitors of all ages and experience levels and horses of all ages and stages of training to practice, compete for prize money and awards, and improve their showmanship.

CRCHA shows strive to give owners, exhibitors and spectators the best live reined cow horse experience possible. CRCHA shows include some of the best horses and exhibitors in the reined cow horse industry. All CRCHA events are livestreamed to serve those who can't attend in person.

The CRCHA is growing and we want you to grow with us. Include yourself in our ranks from youths and beginning non pros to top open and non pro exhibitors.
