Exhibitors are not required to use all of the allotted time but must ride until the judge ends the run with a whistle or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving / rating it down the fence to the opposite end of the arena; and boxing it at the opposite end of the arena, and then driving / rating the cow past the middle marker again. There is no expectation that the exhibitor will make a ‘fence turn,’ rather the drive down the fence demonstrates correct position and control around the corner. (New cow guidelines will follow rule 19.3.5.)

3.12.1 Open to approved Non Pro Boxing riders and who comply with all Non Pro eligibility rules. Non Pro riders in this class must meet the requirements of the 2.4 ownership rule. (See Non Pro eligibility rules.) Earnings are calculated as lifetime boxing earnings. Riders cannot have earned more than \$750 in fence work classes at any judged classes or events with the exception of horse sales. A rider will be ineligible upon reaching the earnings threshold at the end of the current show year in any combination of officially published NRCHA earnings and/or earnings from any other association. The responsibility for eligibility lies with the competitor. If an individual feels a competitor is not eligible for a class, the burden of proof lies with the person who protests.

3.12.2 Horses 5 years of age and under as of January 1st of current show year may be shown in either a snaffle bit or hacka-

more. Horses of any age may be shown in the two rein equipment (for one year only) or bridle

3.12.3 Riders that have exercised their Non Pro Boxing fall back provision (see 3.8.1.1) may compete in the Box Drive class. However, they may not go down the fence again in any judged classes or events with the exception of horse sales and remain in the Box Drive class.

3.12.4 At the discretion of show management, the rein work for the Box Drive and Non Pro Boxing divisions, including Intermediate and Limited, may be run concurrently. When the rein work is conducted concurrently, the rein work score will be used for both the Box Drive and Non Pro Boxing divisions. The cow work for the Box Drive will be run and scored separately.

3.12.5 This class will count for regional standings, national standings and World Show qualification. Earnings will count towards horse and rider lifetime boxing earnings and eligibility. Earnings will not count towards Merit Awards.

4.4 A rider may qualify any number of horses for the NRCHA World Championship Show.

4.5 Horses in open classes may be shown by more than one rider or the rider may be changed, as long as all riders fit the earnings criteria for the class. In the case of a rider substitution at a show, the **first** rider showing will be credited with the earnings. **Once a rider is changed, no additional changes will be permitted.**

4.6 In Non Pro and Youth classes, horse and rider qualify together. If a Non Pro horse is sold the original horse and rider team is no longer eligible to compete.

4.7 Horses or riders may appear in the standings of more than one region.

4.8 Eligibility

4.8.1 Classes Except Youth: To be eligible for the NRCHA World Championship Show a horse or horse and rider combination must have competed at least three times in a given class in at least three NRCHA approved shows in any region, and must have an accumulated point value of at least $\frac{1}{2}$ point. **All** horses fulfilling these requirements, including ties, shall be invited to compete.

4.8.2 Youth Classes: Any Youth that has shown at least three times in their respective Youth class (or Boxing) shall be invited to compete in that Youth class.

4.8.2.1 In Youth classes, if a horse that qualified has died, the youth rider may substitute another horse after providing a vet certificate along with proof that the death was reported to the breed registry.

4.9 Alliance Partner World Show Finalists

4.9.1 All AQHA World Show Finalists from the AQHA Youth World, Select World and AQHA World Championship Show in the Working Cow Horse Classes will be invited to compete at the NRCHA World Show in the corresponding NRCHA classes for which they qualified. NRCHA equipment rules will be in effect. Junior / Amateur qualified horses may be shown in a bridle, two rein or hackamore class.

4.9.2 All APHA World Show Finalists from the APHA Youth World and APHA World Show in Working Cow Horse Classes will be invited to compete at the NRCHA World Show in the corresponding NRCHA classes for which they qualified. NRCHA Equipment rules will be in effect. Junior / Amateur qualified horses may be shown in a bridle, two rein or hackamore class.

4.9.3 The top 10 SHTX world show finalists in Youth, Limited, Non Pro and Open SHTX divisions will be invited to compete at the NRCHA World Show in the corresponding NRCHA classes for which they qualified.

4.9.4 Each finalist invitation will be allowed one (1) entry into the World Show. Invitations may not be used to enter multiple classes.

4.10 In order for an NRCHA approved show to count as one of the three times in a given class a horse and rider must show and receive a score of at least -0- in both parts of the event (rein work and cow work). A horse and rider who fail to attempt to complete either the rein work or the cow work pattern will not be recognized as being an entry in the class and therefore it will not count toward one of the three qualifying events. This will be considered a Non-Entry and will be designated by the judge as N-E in the score box of the judges' cards.

4.11 Regional and national standings and winners will be named at the end of the regular season, before the NRCHA World Championship Show.

4.11.1 To be eligible for an NRCHA Regional Championship, a horse or horse and rider combination must have competed at least four times in a given class in at least four NRCHA approved shows in a specific region.

4.12 NRCHA World Championship Show Finals will result in World Champions being named, but will not earn points and will not count toward National (year-end) Championship points.

4.13 A horse does not have to compete at the World Show to qualify for Regional or National (year-end) awards.

4.14 Hackamore horses may show at the World Show as 6-year-olds as they qualified during their 5-year-old year. A hackamore horse may have been shown in the bridle or two rein after November 15 for this show only.

4.15 Two Rein horses may show at the World Show after their year of Two Rein eligibility as they qualified during their eligible year.

4.16 Non Pro Boxing, Youth Boxing, and Youth Cow Horse riders may show a 6 year old in a snaffle or hackamore as they qualified during their 5-year old year.

4.17 Eligibility of horse and/or rider to show in classes they have qualified for at the World Championship Show will not be affected by classes they show in between the end of the quali-

fying year and the completion of the World Show. (Example: If the rider was still eligible for Boxing classes at the end of the show year, they can cross the \$750 threshold after November 15 and still compete at the World Show). Money won at the NRCHA World Show will count toward horse and rider eligibilities for/in the year that the show took place. (Example: Money won at the World Show held in Jan-Feb 2010 counts as money earned in 2010 when calculating 2011 eligibility).

4.18 Champions of each region will be Regional Champions. (Example: 2009 NRCHA Northeast Region Open Bridle Champion)

Champions of the NRCHA World Championship Show will be World Champions. (Example: 2009 NRCHA Open Bridle World Champion)

Year-end Champions will be National Champions. (Example: 2009 NRCHA Open Bridle National Champion)

Entry fees for horses that are scratched after the draw will remain in the purse.

7.2 Payout Chart (on facing page)

7.3 Ties

7.3.1 In NRCHA Managed LAE with or without finals, in the case of a tie for first place, the following process shall be used to determine the winner:

7.3.1.1 1st: First place shall be determined by the highest cow work score in finals or cow work go-round score in LAE without finals. If a tie remains then;

7.3.1.2 2nd: Work off between tied competitors, cow work only. If a tie remains then;

7.3.1.3 3rd: The high preliminary total score will determine the winner. If a tie still exists then;

7.3.1.4 4th: The contestants will be declared co-champions and a coin will be flipped for prizes.

7.3.2 In other NRCHA Approved LAE with or without finals, in the case of a tie for first place, the following process will be used;

7.3.2.1 First place shall be determined by the highest cow work score in finals or cow work go-round score in LAE without finals. If a tie remains then;

7.3.2.2 For events with preliminaries – the high preliminary total score will be used. If a tie still exists or if there were not preliminaries then;

7.3.2.3 Work off between tied competitors, cow work only, or if mutually agreed upon the contestants will be declared Co-Champions and a coin will be flipped for the prizes. (If they do not agree, the exhibitor who does not want to runoff will forfeit first place to the other.)

7.3.3 In NRCHA Approved horse shows, in the case of a tie for first place the following process will be used;

7.3.3.1 First place shall be determined by the highest cow work score. If a tie still exists then;

7.3.3.2 For events with preliminaries – the high preliminary total score will be used. If a tie still exists or if there were not preliminaries then;

7.3.3.3 A work off between tied competitors, cow work only, or if mutually agreed **upon the contestants will be declared Co-Champions and a coin will be flipped for the prizes.** If they do not agree the exhibitor who does not want to runoff will forfeit first place to the other.

7.3.3.4 If a tie is not discovered on the day it happens the contestants will be declared Co-Champions and a coin will be flipped for the prizes.

7.3.3.5 Ties below first place will split earnings and points, if applicable. Rounding of points may occur up or down to the nearest half point. If the class would pay 6 places, and there is a three way tie for 6th place, all three riders would split the points for 6th place and related earnings.

7.3.4 When there are finals in Horse Show classes, the number of horses taken to the finals is determined by the number of places that will be paid according to the payout schedule in section 7.2 and based on the number of horses shown in the preliminaries. ALL TIES FOR THE LAST POSITION WILL GO TO THE FINALS. HOWEVER, MONEY WILL BE PAID ONLY TO PLACES IN THE PRINTED PAYOUT. In the NRCHA World Championship Show the number of horses taken to the finals will be determined by the schedule in section 7.2 and based on the number of horses shown in the preliminaries, with a minimum of 10 advancing to the finals. Money will be paid to a minimum to the number of places paid in the printed payout in 7.2. ALL TIES FOR THE LAST POSITION WILL GO TO THE FINALS. HOWEVER, MONEY WILL BE PAID TO A MINIMUM OF PLACES IN THE PRINTED PAYOUT 7.2 AND AWARDS WILL BE GIVEN TO THE TOP 10 ONLY. The finals will be clean slate; therefore the world championship and placings will be determined by the score in the finals.

7.3.5 When a horse that has qualified for the finals is unable to show in the finals, that horse will receive the placing and earnings for the lowest place to be paid in the finals, provided the finals fee has been paid, if applicable. No horse that initially did not make the finals will be allowed to move up into the finals. If there are 10 entries or less in the first go-round there will be a finals only.

7.3.6 All earnings and points are computed as of November 15th of the previous year to determine eligibility for year-end awards and for eligibility to show in classes where there are earnings limits

7.4 Point System — during the show season, points will be awarded to the horse for its placing in approved NRCHA classes as specified in Section 3. Points will be awarded to the same number of places as the payout schedule shown in Section 7.2, with the first place horse receiving the highest number based on the number of horses actually shown (ex: if payout is awarded to 5th place, points are awarded to 5th place). In a class with 5 or more shown the first place horse will receive 5 points for the win plus one point for every horse defeated. Each succeeding place will receive 2 points less than the place before it, i.e. 10 horses in class, 1st is 14 points, 2nd is 12 points, 3rd is 10 points, 4th is 8 points, 5th is 6 points. In classes having less than 5 entries, the first place horse will receive points equal to the number of horses shown in the class plus one point for every horse defeated (i.e.- four horses shown, 1st place receives 4 points plus 3 points for the three horses defeated, for a total of 7. Three horses shown in a class, 1st place receives five points, 2nd place receive 3 points.) Owners and riders must be members in good standing of the NRCHA. Any errors found in show results or standings will be corrected immediately on the NRCHA website. Members or show

management must contact the NRCHA office within 30 days of the posting of these results for corrections to be made.

7.4.1 For approved events where Spectacular classes are offered but the regular horse show classes are not offered, points as defined above will be awarded for the Spectacular classes. If both regular horse show and spectacular classes are offered in the same show they may be run concurrently but only the regular horse show classes will be awarded points.

7.4.1.2 In addition, for every \$100 won by the horse during the current contest year, the horse will receive an additional point, up to 75 additional points (\$7,500).

7.5 Year-End Awards - Everyone that competes in an NRCHA approved horse show class as defined above will automatically be in the running for the year-end awards. There will be no sign-ups required to be in the standings. The awards will continue to be based on points earned, rather than cash won. A cumulative tabulation of points earned by all horses during the show season shall be kept by the office. Said tabulation of earned points shall be available on the NRCHA website. Points awarded are for horse and rider combinations in all Non Pro and Youth divisions, and the horse only in Open divisions. In the event of ties in points, the total earnings will determine the standings.

8 MERIT AWARD PROGRAM

8.1 Application forms for Merit Awards are available from the NRCHA office. Applications must be submitted by the current owner or rider of the horse being submitted for one of the merit awards. As of January 1, 2002, earnings which will count towards the Merit Award Program are all NRCHA Approved Category 1 horse shows, LAE Category 1 and Category 1 Special Events. To become an NRCHA approved show a request for show approval must be submitted in accordance with rule 12.1.

8.1.1 Certificate of Ability - a horse will be certified after winning a total of \$500 in any NRCHA class or combination of classes. It is the intention of the NRCHA that the Certificate of Ability will be available to a great number of horses that do in fact show ability.

8.1.2 Superior Cow Horse Award - this award will be given when a horse has earned \$10,000 in any NRCHA class or combination of classes or events. All earnings from reined cow horse snaffle bit events can be added to the hackamore and bridle winnings to total \$10,000 in order to receive this award. The NRCHA believes that any horse that wins \$10,000 in a single class or combination of classes and events is certainly considered a Superior Cow Horse and should be recognized.

8.1.2.1 Money earned in Box Drive class, all Non Pro Boxing classes including Select, Youth Boxing and Youth Boxing 13 and under, will not be counted towards the Superior Reined Cow Horse Award.

8.1.3 Supreme Reined Cow Horse - the NRCHA has reserved the Supreme Reined Cow Horse Award for the unique individual that has shown and won in all divisions and the horse has substantial earnings. A horse must meet the following criteria:

8.1.3.1 The horse must have been shown in approved Limited Age Events and earned at least \$1,000 in these events. The horse must have been shown in the hackamore and have earned at least \$1,000 in this event. Hackamore Classic LAE money can count toward either LAE money or Hackamore money so long as it is counted only once. Up to \$20,000 of any monies won at these two types of events can be applied to the total earnings required.

8.1.3.2 The horse must win a total of \$25,000. After considering the totals earned from Limited Age Events and the hackamore, with the limitations previously stated, the remaining balance must be won in the bridle division.

8.1.3.3 Money earned in Box Drive class, all Non Pro Boxing classes including Select, Youth Boxing and Youth Boxing 13 and under, will not be counted towards the Supreme Reined Cow Horse Award.

8.1.3.4 To fulfill the hackamore requirement, earnings must come from NRCHA Horse Show Hackamore classes or Hackamore Classic LAE money can count toward either LAE money or Hackamore money so long as it is counted only once.

8.1.3.5 Money earned in the two rein class will count as bridle earnings for the merit award program.

8.1.3.6 Foals of 2000 and prior will be grandfathered into this program and are not required to have won the \$1,000 in Limited Age Events and hackamore, but still must win a total of \$25,000. These horses must still have Limited Age Event and hackamore earnings.

8.1.4 Non Pro Boxing Achievement Certificate - the NRCHA wishes to recognize those horses that excel in the Boxing classes.

9 RULES FOR COMPETITION

9.1 An owner may enter more than one horse and/or rider may ride more than one horse. A horse may be entered only once per division.

9.2 All payments for entry and other fees will be made payable to the Show Committee and must be good funds in order to be valid.

9.3 Payments must be postmarked by midnight of the due date or a late penalty will be assessed.

9.4 Late entries will be accepted. The late entry penalty plus the regular entry fees will be assessed.

9.4.1 For all NRCHA Premier Events produced by the NRCHA, late entries received after the draw will compete in the following order. For other approved events run by affiliates or other show managers, these rules serve as a guideline only.

9.4.1.1 First in the rein and cow work. The last late entry received will go first, the second to last late entry received will go second and so on until all late entries have gone before the first horse in the draw.

9.4.1.2 Herd work. The last late entry will draw last in the first set of cattle; the second to last late entry will go last in the second set etc. Cattle will be added for the late entry only if available and at the discretion of show management.

9.4.1.3 Draw numbers for late entries will reflect this order. Example: First late entry in the rein work will be #1, making the previous #1 in the draw #1.1. Draw sheets will be amended to reflect this change in order. For herd work, if 10 in a set, the first late entry will be 10.1.

9.5 In the event that a horse entered properly is left out of the draw, a re-draw will not be held. In order to establish a working order for this entry, show management will draw a numbered token based upon the number of entries in the class for the late entry. The token drawn shall designate the entry left out of the draw and shall work behind the token drawn. e.g. if 10 horses in the class, and token drawn is number 9, then entry shall work between draw 9 and 10. When this occurs in herd work, the appropriate number of cattle will be added to the set affected.

9.6 Once the draw has been finalized, the drawn position is the only position each entry may work in. Any horse that is scratched or otherwise removed from the draw may only be re-entered into the competition as a late entry. (See Rule 9.4.1)

9.6.1 If an entry enters the arena or working area out of order, but does not cross the time line, start the pattern (ie... lope depart, trot or run in), step into the roping box, or call for their cow, the entry may exit the working area with no penalty assessed. The correct entry may then enter the arena within a reasonable amount of time (normal gate-call) and compete as normal. If the correct entry is not present at the gate, the score for that entry will be zero.

9.7 If any entry changes ownership, the entry will retain eligibility by complying with the following: 1) notifying the Association of the change of ownership and the intention of the new owner to continue the entry, 2) payment of the remaining fees when due and 3) membership of the new owner in the NRCHA. The Show Committee reserves the right to approve all transfers.

9.8 Scratches

9.8.1 In approved Horse show classes managed by the NRCHA, exhibitors that scratch after the entry deadline but prior to the draw will be refunded all entry fees with the exception of the office fee.

9.8.2 Entries that scratch after the draw will be refunded the video fees and NRCHA fees only.

9.8.3 After the draw, substitution of a horse only by the same owner and rider **in the same class** will be allowed upon presentation of a veterinary certificate stating that the horse entered will be unable to work. In the case of a Non Pro rider, they may substitute another horse that meets the Non Pro ownership requirements. A substitution fee equal to 10% of the total entry fee will be charged. Substitutions must be accompanied by a new entry form. Any substitution without a veterinary certificate will be considered a late entry, assessed the late entry penalty fees and entered into the competition as a late entry. (See Rule 9.4.1). All other NRCHA approved shows shall abide by the affiliate's or show management's policies for substitutions, scratches, refunds and late fees.

9.8.4 In approved Horse show classes **or LAEs** managed by the NRCHA, if an entered horse is deceased, the entire amount will be refunded.

9.8.5 All other NRCHA approved shows shall abide by the affiliate's or show management's policies for substitutions, scratches, refunds, and late fees.

9.9 After each work, each bit and horse's mouth will be viewed by the appointed representative to determine if the bit or hackamore is legal, and to check for blood inside the mouth. The judge(s) has the sole authority to disqualify the contestant.

9.10 Unofficial scores may be announced and/or exhibited on the scoreboard after each entry's work. Scores will then be verified from the judge's score sheets and any corrections will be made. Scores will not be official until all score sheets have been verified.

9.11 In the event of a post-event disqualification, the payoff will remain the same as far as number of places paid, as before the disqualification.

9.12 The Show Committee will select the patterns to be used in the reined work. Any pattern change must be posted at least 1 hour before the go round to which it applies.

9.13 For NRCHA Premier **Approved** Events, herd settler must be entered in the event ~~for show~~ at which he/she is settling. (For example, to settle a herd in any division in a derby, the herd settler must be entered in that ~~derby~~; **show** in any division). No horse may be used as a herd settler **or help horse** for a class in which that horse is competing. ~~They may be used as turn back help horses.~~ Violation of this rule may result in the following: **a fine, suspension, and/or probation as determined by the NRCHA Ethics Committee.**

9.13.1 For NRCHA Premier Events, no rider can settle a set in which they are competing.

9.14 Rules printed herein are subject to amendments and annual updates.

10 LIMITED AGE EVENTS ("LAE")

For all intents and purposes in this rulebook, Limited Age Events (LAE) shall include events for which only horses of a specified age are eligible. Futurities are for 3-year-olds only, derbies are restricted to 4- and 5-year-olds, but may be held for 4-year-olds

only. 6-year old horses may be shown in a snaffle only in a Non Pro Boxing derby.

10.1 General Rules

These general rules shall apply to all approved and produced NRCHA LAE, unless specified otherwise.

10.1.1 For all the NRCHA Premier Events produced by the NRCHA, all fees and purses for LAEs are subject to annual review and update and are subject to change. They may be either published in the Reined Cow Horse News, mailed directly to the membership or posted on the NRCHA website. General rules for scoring and judging reined cow horse events as presented in this rulebook will apply to the NRCHA Snaffle Bit Futurity® and all NRCHA LAE where specific rules have not been implemented. Refer to the rules governing the individual Limited Age Events. In all Limited Age Events the same type of headgear (hackamore or snaffle) must be used throughout the event (herd, rein and cow work) on a horse once the competition has started. This is also to include the finals portion of the event.

10.1.1.2 Limited Age Events with 50 entries or more must have a separate draw for the Open and the Non Pro.

10.1.1.3 Entry into the Open division is mandatory for entry into the Intermediate and Limited Open divisions. This applies to all NRCHA Approved LAE.

10.1.1.4 Entry into the Non Pro division is mandatory for entry into the Intermediate and Limited Non Pro divisions. This applies to all NRCHA Approved LAE.

10.1.2 The following should be used as a guideline for holding Approved Limited Aged Events, however affiliates or show management may change the guidelines in section 10.1.2 if it is in the best interest of their event.

10.1.2.1 The number of horses taken to the finals is determined by the table in Section 10.5. If an entry scratches after the draw, the entry fee will be left in the purse for that entry. Payouts and calculations for the number of horses taken to the finals will be based upon total paid entries in a class regardless of whether they show.

10.1.2.2 When the number of horses taken to the finals is determined by a percentage, rounding up may occur when the percentage is .5 or above. Example: If 30% of the total entries equals 25.5, then 26 horses shall go to the finals. If 30% of the total entries equals 25.4, then 25 horses shall go to the finals. If there is a tie for the last qualifying place to advance to the finals, tied horses shall go to the finals. The payout will be adjusted according to the number of horses in the finals, but the total payout will not change. Example: If there are 22 horses taken to the finals with ties, all 22 will be figured in the payout. If there are 27, all 27 will be figured in the payout which will be reworked but the amount will stay the same.

10.1.2.3 Entry Cancellation / Refunds:

10.1.2.3.1 If written entry cancellation is received by the NRCHA office on or before the due date, payment may be refunded in full.

10.1.2.3.2 If written entry cancellation is received by the NRCHA office after the due date but prior to the draw, the payment may be refunded minus a retainage fee.

10.1.2.3.3 If written entry cancellation is received by the NRCHA office after the draw, payment will not be refunded.

10.1.2.3.4 In the event that an entered horse is deceased, the entire amount will be refunded.

10.1.2.4 NRCHA Snaffle Bit Futurity® payments made on or before the due date are final and non-refundable.

10.1.2.5 Substitution of a horse - see Rule 9.8.3.

10.1.2.6 Substitutions of riders due to accident or illness during LAE will be subject to approval by the Show Committee provided that the rider complies with all ownership and eligibility rules. In the case of a Non Pro rider they may substitute to another Non Pro family member. In the case of a rider substitution at a show, the **first** rider showing (~~the substitute rider~~) will be credited with the earnings. **Once a rider is changed, no additional changes will be permitted.** The horse will only be eligible for placings in divisions it was originally entered into, and also will only be eligible for divisions which the substitute rider is eligible.

10.1.2.7 Entrants do not have to participate in all three go-rounds to be eligible for prize money.

10.1.2.8 NRCHA reserves the right to cancel, transfer or re-schedule the LAE without notice and/or liability. In the event of a cancellation, all entry fees will be refunded.

10.1.2.9 Finals fees may be assigned based on event Terms and Conditions.

10.2 The finals, if held, will consist of each of the three phases: herd work, rein work and cow work. A final may be a fence work run only if the previous scores from the herd, rein and fence works are added to the final composite scores

10.3 The Show Committee reserves the right to accept or reject any entry. All decisions of the Committee are final.

12 SHOW APPROVAL & SHOW MANAGEMENT RESPONSIBILITIES

An event approved by the NRCHA is exclusive to the NRCHA and cannot also be approved or sanctioned by an unaffiliated

horse entity or association unless specified prior approval is obtained from the National Reined Cow Horse Association.

12.1 NRCHA Show Approval & Requirements

12.1.1 No double judged, double pointed shows or two NRCHA shows on one day in the same location will be approved by the NRCHA. It is acceptable to split one NRCHA show over two or more days.

12.1.2 Any organization seeking approval for an event by the NRCHA must comply with the following requirements:

12.1.3 Classes for which approval is sought, will be called "Approved Shows" and must be presented and judged under the rules of the NRCHA. Approved horse shows are shows that must offer at minimum an Open Bridle and an Open Hackamore class. Approved horse shows must also have a minimum of \$1,000 added to the NRCHA horse show classes and each entry has paid an NRCHA fee. For every \$1,000 added show held, an NRCHA Affiliates may hold one show with no added money minimum requirement. The Open Hackamore must have a minimum of \$250 added, the Open Bridle must have a minimum of \$250 added and the remainder of the \$1,000 would be distributed between the other NRCHA classes as the show management sees fit. Points and earnings will be kept track of by the NRCHA in all approved horse shows and the point totals will determine the Regional and National Year-End standings. Each NRCHA Affiliate may host one event (consisting of one or more Approved Shows) per year outside their designated region as long as there are no scheduling conflicts in either of the two regions.

12.1.3.1 In order to compete in an approved NRCHA contest, owners and riders must be NRCHA members in good standing, the show must remit the required fee to the NRCHA, the contest must be pre-approved by the NRCHA and all entry fees must be paid prior to showing.

12.1.3.2 Affiliates may require club membership from owners and/or riders to participate in NRCHA approved events.

12.1.4 All approved classes must include both rein work and cow work. Herd work is optional. In the case where it would be considered hazardous to riders and horses, herd work may be substituted for the cow work.

12.1.4.1 Show management with input from the judge, may deviate from traditional order of events and he/she may also deviate from the exact printed pattern due to arena conditions.

12.1.5 Fresh cattle must be supplied to all contestants for the cow work (fence). For every 8 head of cattle or fraction thereof, one extra head must be supplied. It is strongly suggested that a minimum of 2.5 cattle for each entry in the herd work should be supplied. Fresh cattle are cattle that have not been previously used for recreational or practice purposes.

12.1.6 It is recommended that an EMT (Emergency Medical Technician), an Ambulance or other qualified medical personnel, along with suitable equipment, be on the show grounds during all scheduled performances.

12.1.7 The judge(s) for the event must hold a current NRCHA judges card.

12.1.7.1 The same Judge(s) must be used for all phases of an NRCHA class (Herd / Rein / Cow / Steer Stopping). Deviation from this rule must be pre-approved by the NRCHA office. It is acceptable to use a different judge(s) for different classes within an Approved NRCHA show.

12.1.8 All show managers and show secretaries must be current Voting NRCHA members in good standing.

12.1.9 Approval must appear on the NRCHA web site at least 14 days prior to the close of entries for that event. A request for show approval must be submitted to the NRCHA Management by the show management at least 60 days prior to the event. Any show approvals received between 30 and 60 days shall be subject to a \$50 fine. No shows will be approved less than 30 days prior without extenuating circumstances. Failure to do so may result in loss of approval. The association accepts the responsibility of publishing show approvals that are received in accordance with the above. Show management is urged to include entry fees, office and cattle charges and the name of the judge when submitting request for show approval. Shows from previous years have priority. If a group applies for an approved show within a driving distance of 300 miles on previously held dates, the previous show organizer will be contacted and given right of refusal for a 21 day period to get a show approval in. If the original group chooses to keep the date, the date will be unavailable to the applying group. Approved Events may be canceled, and \$100 approval fee refunded as long as the event is canceled no less than 30 days prior to the beginning of said event. Cancellation must be received in writing (fax or email is acceptable) by the NRCHA office for refund of show approval fee.

12.1.10 The show management shall pay a fee of \$100 to the NRCHA for show approval. The fee shall be remitted to the NRCHA Management with the show approval application. If a show is holding an Approved show or LAE at the same time the total fee due is \$100. The \$100 approval fee is the minimum fee for an approved show. NRCHA shall charge a fee per entry in all Approved and Special Events, the fee amount shall be set annually by the Board of Directors to be assessed to each horse entered in each class, and shall be remitted to the NRCHA when submitting the show results. This fee is used to cover the cost of year-end awards, judges monitoring system, NRCHA office expenses in publicizing shows i.e. printing judge's cards, postage, etc. Every NRCHA Approved show must meet the following reporting requirements:

12.1.10.1 NRCHA fees paid within 14 days of the last day of the show

12.1.10.5 All show payouts must be made within 14 days of the last day of the show.

12.1.10.6 Results must include a COMPLETE LIST of all entries for each class along with the show scores, original judges' sheets, membership applications, and all other NRCHA documents as required.

12.1.10.7 Failure to comply with any or all of these requirements will result in the possibility of fines and unapproval of future shows as imposed by the Executive Committee.

12.1.10.8 At a minimum a penalty of \$100 will be assessed if postmarked after 14 days. An additional penalty of \$500 will be assessed if postmarked after 30 days. Any results not received after 60 days will not be recognized by the NRCHA for year-end standings. Results from any shows taking place November 5 – 15 must be received in the NRCHA office no later than November 25 of that show year.

12.1.11 Mandatory classes for NRCHA Approved Horse shows, other than LAE, are the Open Bridle and Open Hackamore classes. Show management cannot force entry into another horse show class except Intermediate Open, Select and Youth 13 & Under Horse Show classes. (Example: to enter Level 1 Non Pro Bridle, forcing riders to enter the Non Pro Bridle). For a full roster of classes see Section 3. Other classes may be approved as Category 2 Horse Show Classes.

12.1.12 Show approval shall be based on show management conforming to the conditions set forth in the official show packet. Show packets will be sent to the Show Manager/Show Secretary once the show has been approved. The Association reserves the right to refuse approval for a show based on a date conflict with another show or another show within a 300 mile driving distance or for any other reason.

12.1.13 The Association shall publish show dates once the show has been approved. Early receipt of the show application will give the show more publicity. At completion of the show and the requirements being met, the association shall publish show results and award points.

12.1.14 The jackpot portion of the entry fee must be at least 1.5 times the office charge.

12.1.15 All entry forms shall have the following disclaimer: "By my signature below I hereby acknowledge that I meet the criteria for eligibility to compete in the classes entered according to the guidelines set forth in the NRCHA rulebook." This is to ensure that competitors are aware of the criteria for the different classes in which they are indeed eligible to compete.

12.1.16 A show that is approved by the NRCHA must use the current Association rules. A show may be approved without naming a judge or judges; however, the judge or judges must be named at least thirty days prior to the closing date of entries.

Any changes regarding the location of the event, show secretary, show manager, NRCHA approved classes, total entry fee, or decrease in added money must be communicated no later than thirty (30) days prior to the start of the show. Any changes regarding the cattle fees, retainage / office fee, addback / jackpot fee, judge fee, video fee, or increase in added money must be communicated no later than seven (7) days prior to the start of the show. No class/division at or during any NRCHA Approved

Event (Horse Show, LAE or Special Event) may be canceled or have the added money reduced based on the number of entries. An Event may be cancelled, but the approval fee will be retained as an administrative fee.

12.1.16.1 Any approved NRCHA event with more than \$30,000 in added money must use two or more judges.

12.1.16.2 No person listed on the NRCHA suspension list will be permitted to judge. Only those persons with valid NRCHA judge's cards shall be permitted to judge.

12.1.16.3 All NRCHA approved events must use official judge's cards and forward same to the Association along with the complete NRCHA result forms, which includes the purse distribution sheet, final show report and monetary payment, within fourteen (14) days of the conclusion of the show.

12.1.18 Videotaping is required for any NRCHA Approved event with \$5,000 or more in added money. Video shall be held by show management and available to the NRCHA office for a period of 90 days. In addition, it is strongly suggested that any NRCHA approved show have some form of official videographer throughout entire show because without that there is no documentation to augment discrepancies and/or protests concerning show or runs.

12.1.19 Noncompliance with any of the rules in section 12 shall result in a minimum \$100 fine for the first offense. Any second offense shall result in a minimum \$1,000 fine. Any subsequent offenses shall also be treated as second offenses. All fines will be determined by the NRCHA board based on the severity of the infraction.

12.2.1.1 Show management must see that a judge or a qualified person inspects each contestant's bridle or hackamore after each individual work, the bit checker must have a magnet available to check the hackamores and chin straps for metal objects (inside) or cores. Bit checker guidelines: if the bit checker finds a violation (blood in mouth, illegal equipment) they will notify the exhibitor. If the exhibitor does not concur, the bit checker should have the exhibitor remain with them and ask for assistance from either the NRCHA Rep or an NRCHA Judge, if someone is available. If the situation is still not resolved, then the show judge must be called to rule on the infraction and their ruling will be final. The judge(s) has the sole authority to disqualify the contestant.

If the scores are evenly divided, the lowest score is eliminated, i.e. the three scores are 71, 72 and 73, the total score is 145 (72 & 73 with the lowest score of 71 being eliminated).

14.2 Animal Handling Policy Statement on Animal Use

Animal use is deeply ingrained in our society, benefiting the wealth of people, supporting commerce, and enhancing our enjoyment of life. The National Reined Cow Horse Association acknowledges the valuable role of animals in our lives, in history and in horse shows and is committed to providing a proper environment for the animals in competition, in transport and at rest and to providing humane guidelines for care and treatment of both horses and cattle.

National Reined Cow Horse Association produced and approved events, through example and education, strive to adhere to professional and humane standards of animal handling and to demonstrate sensitivity to the perceptions of the public.

At a professional event, sanctioned or produced by the NRCHA, attendees and participants can be assured that humane treatment rules for horses and cattle will be enforced.

14.2.1 Care and Maintenance of Cattle

14.2.1.1 A veterinarian should be in attendance, or reasonably available at every reined cow horse show and will attend to any injured animal after its removal from the arena. Should humane destruction of an animal be recommended, such destruction will take place as soon as possible and shall be carried out by the most humane means possible.

14.2.1.2 A conveyance of a type on which injured animals may be easily placed without causing additional injury should be made available at all reined cow horse shows to remove animals from the arena in case of injury.

14.2.1.3 Cattle are recommended to be between 500 and 650 lbs. They should appear strong and healthy.

14.2.1.4 Chutes, corrals, mangers, etc., should be so constructed as to prevent injury to cattle and horses. All areas in which cattle are kept and the arena shall be free of rocks, holes, and obstacles.

14.2.1.5 Arena help may be fired and/or contestant may be disqualified for mistreatment of cattle.

14.2.1.6 No cattle should be confined to vehicles beyond a period of twenty-eight (28) hours or as otherwise established by the federal government without being unloaded, properly fed and watered, provided that when animals are carried in conveyances in which they do have proper food, water, space, and opportunity to rest, the provision for unloading shall not apply.

14.2.1.7 Cattle that become excessively excited, so that they appear in danger of injuring themselves, should be released from the arena.

14.2.1.8 No sick or injured animals will be permitted to be used in competition. Blinded animals or animals with bad eyes will not be permitted to be used in competition.

14.2.1.9 Animals will be inspected, and objectionable ones eliminated.

14.2.2 Care and Treatment of Reined Cow Horses

14.2.2.1 THE NATIONAL REINED COW HORSE ASSOCIATION TAKES VERY SERIOUSLY THE WELFARE OF THESE GREAT HORSES THAT WE ARE DEVOTED TO. Inhumane treatment of a horse in any manner in the show arena, practice pen or on the show grounds is strictly prohibited.

14.2.2.2 Inhumane treatment is the exhibition of a crippled or injured horse, or a horse with any other health abnormality, which could thereby result in the horse's undue discomfort or distress. Abuse includes excessive jerking, spurring, whipping, slapping, or any other act intended to cause trauma or injury to a horse. Any act of abuse, or intent to abuse a horse, in the show arena or on the show grounds which could also potentially endanger the safety of other persons or animals will be dealt with in the strongest possible manner as provided by sub-section 14.1.8 of this standing rule.

14.2.2.3 If show management at any NRCHA approved event discovers inhumane treatment of a horse, it may immediately bar the responsible party and horse from further participation in the event. The decision of show management as to inhumane treatment shall be based upon consultation with a veterinarian. If show manage-

ment determines in its sole discretion that the welfare of the horse requires immediate action and a veterinarian is not available, show management shall consult with the Ethics Committee or Show Representative before taking any action allowed by this rule.

14.2.2.4 In the event show management discovers any inhumane treatment of a horse, the NRCHA Management and the Ethics Committee shall be notified and a hearing to consider disciplinary action against the responsible party shall be scheduled.

14.2.2.5 Administration of drugs while in the show arena or practice arena is strictly prohibited unless administered in a life-saving situation. Such an instance must be reported to show management. The decision of the show management as to life saving treatment should be based on consultation with a veterinarian. Show management shall disqualify and/or refuse entry to any contestant and/or owner for violation of this rule.

14.2.3 Humane Treatment

No person shall exhibit any horse which appears to be sullen, dull, lethargic, emaciated, drawn or overly tired.

No person on show grounds, including, but not limited to, barns, stalls, practice area and show arena, may treat a horse in an inhumane manner, which includes, but is not limited to:

- (1) Placing an object in a horse's mouth so as to cause undue discomfort or distress.
- (2) Tying a horse up or around in a stall or when lungeing or riding in a manner as to cause undue discomfort or distress. In addition, leaving a bit in a horse's mouth for extended periods of time.
- (3) Use of inhumane training techniques or methods; poling or striking horse's legs or body with objects, excessive spurring and/or excessive jerking of reins.

14.2.4 Prohibited medication, drugs, mechanical device or artificial appliance: No person shall cause to be administered internally or externally to a horse, either before or during an approved event, any medication, drug, mechanical device or artificial appliance which is of such character as could affect its performance or appearance at that event, **EXCEPT FOR THOSE CONDITIONALLY PERMITTED THERAPEUTIC MEDICATIONS, THE USE OF WHICH IS SPECIFICALLY PROVIDED FOR IN THIS RULEBOOK AND NOT OTHERWISE PROHIBITED BY GOVERNMENTAL REGULATIONS.** Upon discovery of administration of such drug, medication, mechanical device or artificial appliance, show management shall immediately report the matter to NRCHA. Any action or substance administered internally or externally, whether drugs or otherwise, which may interfere with the testing procedure, or mask or screen the presence of such drug, is forbidden.

- (1) Presence of such medication or drug in a horse participating in an NRCHA-approved event shall be grounds for the Executive Committee to take the following action if it is determined that the use of said drug or medication was not within the guidelines set forth in the Therapeutic Medication Addendum following subsection (j) of this rule:

- (A) The horse shall be disqualified from all classes in which it participates at the show and all awards and monies must be returned and horse will not be allowed to be shown for a period of 90 days.
- 1) In a first offense, in addition to the above, the responsible individual(s) will be fined \$500 each. Responsible individual(s) will be suspended until payment is made and reinstatement fee determined by the board is paid.
 - 2) For the second offense, in addition to the above, responsible individual(s) will be fined \$1,000 each. Each individual receiving a second offense will be suspended for a period of 3 months and will not be reinstated until payment is made and reinstatement fee determined by the board is paid.
 - 3) For the third offense, in addition to above, responsible individual(s) will be fined \$2,500 each and suspended until review by the Ethics Committee and NRCHA Board. At that time, the NRCHA Board will determine the length of suspension. The individual will not be reinstated until payment is made, the suspension time served, and reinstatement fee determined by the board is paid.
- (B) Below specified individuals are absolutely responsible for a horse's condition, are presumed to know all rules and regulations of NRCHA and the penalty provisions of said rules, and their voluntary action in presenting or causing the horse to be presented at show grounds for exhibition, entering a horse or exhibiting one in an approved show, and their absolute responsibility for the condition of the horse makes them eligible for disciplinary sanctions, whether or not they had actual knowledge of the presence of a forbidden drug, directly participated in the administration thereof, innocently miscalculated its retention time in the horse's system, or any other reason for its presence is established.
- (C) It is presumed the sample of urine, saliva, blood or other substance tested by the approved laboratory is the one taken from the horse in question, its integrity is preserved, and that all procedures of such collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate, and the report received from the laboratory pertains to the sample taken from the horse in question and correctly reflects the condition of the horse during the show in which he was entered, with the burden on the exhibitor or other responsible party to prove otherwise at any hearing in regard to the matter conducted by NRCHA.
- 1) Every exhibitor shall, upon request of show management or NRCHA representative, permit a specimen of urine, saliva, blood or other substance to

be taken for testing, and refusal to comply with such request shall constitute grounds for immediate disqualification of the horse from further participation at the show, and shall constitute grounds for suspension of NRCHA membership. If the laboratory report on the chemical analysis of saliva, urine, blood or other sample taken from the horse indicates the presence of a forbidden drug or medication, this shall be taken as prima facie evidence such substance has been administered to the horse either internally or externally.

- 2) An individual is absolutely responsible for a horse's condition if:
 - (a) he/she designates himself/herself on the entry form as exhibitor, or authorizes another to designate him as exhibitor on the entry form;
 - (b) he/she signs the entry form on behalf of himself or another, or causes an agent or representative to sign it;
 - (c) he/she physically participates in the event by riding or showing the horse; or
 - (d) he/she is the actual owner. The exhibitor and owner acknowledge an exhibitor represents the owner in regard to his/her horses entered in an approved show.

- (2) Conditionally permitted therapeutic medication: Any drug, medication or substance that could affect the

performance of a horse that is used for the legitimate treatment of illness or injury and is not specified as a forbidden substance as defined in sections above. Approved therapeutic antibiotics may be given by (or on the orders of) a licensed veterinarian. Approved antibiotics include only those without masking ingredients.

Use of these drugs or substances is forbidden and use thereof subjects the person to disciplinary action, unless all conditions of their administration are met.

Each of the following requirements is a condition to authorize administration of conditionally permitted therapeutic medications, which shall be verified in a written medication report, available from NRCHA or show management, completed in its entirety, and filed with show management before exhibition of the horse.

- (A) Administration by (or on the orders of) a licensed veterinarian which documents administration of medication is necessary for the legitimate treatment of illness or injury.
- (B) The horse must be withdrawn and kept out of competition for not less than 24 hours after the medication is administered.
- (C) Identification of the medication: the name, amount, strength/concentration and mode of administration.
- (D) Date and time of administration.
- (E) Identification of the horse: name, age, sex, color and entry number.
- (F) Diagnosis of illness/injury, reason for administration, and name of administering and/or prescribing veterinarian.
- (G) Signature of veterinarian or person administering the medication. If by prescription (written instructions), a copy must be attached to the medication report.
- (H) The medication report must be filed with show management within one hour after administration of the medication or one hour after show management is available, if administration occurs at a time other than during competition hours.
- (I) The medication report must be signed by show management and time of receipt recorded on the report.
- (J) While the medication report must be filed only if the administered medication will be present in amounts detectable in blood and/or urine samples at the time of competition/sampling, exhibitors are hereby cautioned it is their responsibility to determine whether or not such medication has had time to clear the horse's system.

IF THERE IS ANY DOUBT, A MEDICATION REPORT SHOULD BE FILED.

- (K) Regardless of whether the medication report requirements described above are met, laboratory detection of concentration levels of an otherwise conditionally permitted therapeutic drug that are inconsistent with the administration of a therapeutic dosage of such drug (including, but not limited to, inconsistencies regarding reported dosage and time constraints) shall constitute

presumption of a violation of this rule, and the responsible party has the burden of persuasion to establish that the drug was administered in a therapeutic dosage and not less than 24 hours prior to competition.

- (L) Unless all of the conditionally permitted therapeutic medication requirements listed in section 2 are met, it shall be considered a rule violation if the same plasma or urine sample contains more than one (1) of the permitted NSAIDs listed in section (3)(C) (1-8) below.
- (3) Restrictions concerning the use of conditionally permitted therapeutic medications that may be administered within 24 hours of showing:
 - (A) Subject to the specified restrictions, only those twelve (12) drugs or medications listed in section (3)(C)(1-12) below may be administered within 24 hours of showing. The provisions in (3)(C)(1-12) below contain rules concerning maximum allowable plasma concentration levels followed by “Guidelines”.

The Guidelines are applicable to most horses. Nevertheless, reliance upon the Guidelines does not guarantee compliance with the rules, since the response of individual horses may vary. Exhibitors, owners, and trainers should consult the drug manufacturer and knowledgeable veterinarians for up to date information and more specific advice concerning the therapeutic use of a drug or medication for a particular horse.

The guidelines, if needed, will minimize the chances of positive drug tests. However, all responsible parties are cautioned that the guidelines are only general guidelines, and it is their responsibility to see to it that conditions prevail for full compliance with all NRCHA rules. Reliance upon the guidelines will not serve as a defense to a charge of violation of the rule in the event of a positive drug test. Should the testing laboratory report the presence of one of the drugs or medications listed in section (3)(C)(1-12) below in an amount greater than what would be consistent with the Guidelines or at a level higher than a specified maximum permitted plasma concentration, the matter will be reviewed and disciplinary action may be taken.

- (B) Regardless of whether all of the conditionally permitted therapeutic medication requirements for a specific NSAID listed below are met, it shall be considered a rule violation if the same plasma or urine sample contains more than one (1) of the NSAIDs listed in section (3)(C)(1-8) below.
- (C) Only those twelve (12) drugs or medications listed in section (3)(C) (1-12) below may be administered within 24 hours of showing:
 - (1) Phenylbutazone (an NSAID) - The maximum permitted plasma concentration of phenylbutazone is 15.0 micrograms per milliliter.

Guidelines: When phenylbutazone is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 2.0 milligrams per pound of body weight should be administered, preferably less.

For a 1,000 pound animal, the maximum daily dose is 2.0 grams, which equals two 1.0 gram tablets, or two 1.0 gram units of paste, or 10.0 cc of the injectable (200 milligrams per milliliter). Neither a total daily dose nor part of an injectable dose should be administered during the 12 hours prior to competing. In the event the phenylbutazone is administered orally, half of the maximum daily dose (1.0 gram per 1,000 lbs.) can be administered each 12 hours during a five day treatment program. Phenylbutazone should not be used for more than five successive days.

- (2) Diclofenac (Surpass) (an NSAID) - The maximum permitted plasma concentration of Diclofenac (Surpass) is 0.005 micrograms per milliliter.

Guidelines: Every 12 hours, not more than 73 mg of diclofenac liposomal cream should be administered (not more than 146 mg per 24 hour period) to one affected site. This 73 mg dose equals a 5-inch ribbon of cream not greater than ½ inch in width, which should be rubbed thoroughly into the hair over the joint or affected site using gloved hands. Administration of diclofenac cream should be discontinued 12 hours prior to competing. Do not apply diclofenac cream in combination with any other topical preparations including DMSO, nitrofurazone or liniments, and do not use on an open wound. Diclofenac cream should not be administered for more than 10 successive days.

- (3) Flunixin (an NSAID) - The maximum permitted plasma concentration of Flunixin is 1.0 microgram per milliliter.

Guidelines: When Flunixin Meglumine (Banamine®) is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 0.5 milligrams per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 500 milligrams, which equals two 250 milligram packets of granules, or one 500 milligram packet of granules, or 500 milligrams of the oral paste (available in 1,500 milligram dose syringes), or 10.0 cc of the injectable (50 milligrams per milliliter). No part of a dose should be administered during the twelve (12) hours prior to competing. Any medicated feed must be consumed and/or removed at least twelve (12) hours prior to competing. The medication should not be used for more than five successive days.

- (4) Ketoprofen (an NSAID) - The maximum permitted plasma concentration of Ketoprofen is 40.0 nanograms per milliliter.

Guidelines: When Ketoprofen (Ketofen®) is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 1.0 milligram per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 1.0 gram, which equals 10.0 cc of the injectable (100 milligrams per milliliter). No part of a dose should be administered during the twelve (12) hours prior to competing. The medication should not be used for more than five successive days.

- (5) Meclofenamic Acid (an NSAID) - The maximum permitted plasma concentration of Meclofenamic Acid (Arquet®) is 2.5 micrograms per milliliter.

Guidelines: When Meclofenamic Acid is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 12 hours, not more than 0.5 milligram per pound of body weight should be administered, preferably less. For a 1,000 pound animal, the maximum 12 hour dose is 0.5 gram, which equals one 500 milligram packet of granules. The medication should not be used for more than five successive days.

- (6) Naproxen (an NSAID) - The maximum permitted plasma concentration of Naproxen is 40.0 micrograms per milliliter.

Guidelines: When Naproxen is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 4.0 milligrams per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 4.0 grams, which equals eight 500 milligram tablets. No part of a dose should be administered during the twelve (12) hours prior to competing. Any medicated feed should be consumed and/or removed at least twelve (12) hours prior to competing. The medication should not be used for more than five successive days.

- (7) Firocoxib (Equioxx) (an NSAID) - The maximum permitted plasma concentration of Firocoxib (Equioxx) is 0.240 micrograms per milliliter.

Guidelines: When Firocoxib (Equioxx) is administered, the dose should be accurately calculated according to the actual weight of the animal. For a 1,000 pound animal, the maximum daily dose is 45.5 milligrams, which equals 0.1 milligram per kilogram of body weight once daily. No part of a dose should be administered during the 12 hours prior to competition. Firocoxib (Equioxx) should not be administered for more than 14 successive days.

- (8) **Eltenac** (an NSAID) - (PENDING FDA APPROVAL – SEE BELOW) The maximum permitted plasma concentration of Eltenac is 0.1 microgram per milliliter.

Guidelines: When Eltenac is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 0.25 milligram per pound of body weight should be administered, preferably less. For a 1,000 pound animal, the maximum daily dose is 250 milligrams, which equals 5.0 cc of the injectable (50 milligrams per milliliter). No part of a dose should be administered during the 12 hours prior to competing. Eltenac should not be administered for more than five successive days. ELTENAC HAS BEEN APPROVED FOR USE PENDING FDA APPROVAL. THIS MEDICATION MAY NOT BE USED UNTIL NRCHA HAS NOTIFIED MEMBERS AND EXHIBITORS OF THE FDA APPROVAL.

- (9) Acetazolamide - May only be administered to horses documented through DNA testing to be positive (N/H or H/H) for HYPP (Hyperkalemic Periodic Paralysis). While these rules do not contain a maximum allowable plasma concentration level for Acetazolamide, laboratory detection of levels of Acetazolamide that are not consistent with administration in accordance with the following Guidelines may result in prosecution of a rule violation.

Guidelines: When acetazolamide is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 3 milligrams per pound of body weight should be administered. For a 1000 pound animal, the maximum daily dose is 3 grams.

- (10) Furosemide or Lasix[®] - When used must be administered intravenously at least four hours prior to competition.
- (11) Isoxsuprine - Guidelines: When administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 1.6 milligrams per pound of body weight should be administered (usually divided in two equal doses given 12 hours apart). For a 1,000 pound animal, the maximum daily dose is 1,600 milligrams, which equals 80 20-milligram tablets. No part of a dose should be administered during the four hours prior to competing. Any medicated feed should be consumed and/or removed at least four hours prior to competing.
- (12) Dexamethasone - The maximum permitted plasma concentration is 3.0 nanograms per milliliter at the time of competition.

Guidelines: In order to help trainers, owners and their veterinarians achieve compliance with this rule in connection with the therapeutic use of dexamethasone, it should be administered in accordance with the guidelines below. These guidelines include several alternative scenarios for dose time and route of administration. Whenever dexamethasone is administered, the dose should be accurately calculated according to the actual weight of the animal.

- (A) Alternative Number 1. (2.0 mg or less per 100 pounds IV or IM at 12 or more hours before competition). Each 24 hours, not more than 2.0 milligrams of dexamethasone injectable solution per 100 pounds of body weight should be administered intravenously or intramuscularly, preferably less. For a 1,000 pound animal, the maximum daily intravenous or intramuscular dose of dexamethasone injectable solution is 20.0 milligrams, which equals 5.0 milliliters of the injectable solution (4.0 milligrams per milliliter). No part of this dose should be administered during the 12 hours prior to competing. Dexamethasone should not be administered for more than five successive days.
- (B) Alternative Number 2. (0.5 mg or less per 100 pounds IV at 6 or more hours before competition). Each 24 hours, not more than 0.5 milligram of dexamethasone injectable solution per 100 pounds of body weight should be administered intravenously, preferably less. For a 1,000 pound animal, the maximum daily intravenous dose of dexamethasone injectable solution is 5.0 milligrams, which equals 1.25 milliliters of the injectable solution (4.0 milligrams per milliliter). No part of this dose should be administered during the six hours prior to competing. Dexamethasone should not be administered for more than five

successive days. Alternative Number 3 (1.0 mg or less per 100 pounds given orally 6 or more hours before competition.) Each 24 hours, not more than 1.0 milligram of dexamethasone powder per 100 pounds of body weight should be administered orally, preferably less. For a 1,000 pound animal, the maximum daily oral dose of dexamethasone powder is 10.0 milligrams, which equals one packet of dexamethasone powder (10.0 milligrams per packet). No part of this dose should be administered during the 6 hours prior to competing. Any medicated feed should be either consumed or removed at least six (6) hours prior to competing. Dexamethasone should not be administered for more than five successive days.

- (D) In the case of sickness or injury to a horse at the event, therapeutic medication may be given to a horse by a licensed veterinarian under actual observation by event management or designated representative to treat a condition/illness/injury that would not prevent the horse from competing following treatment. An example is Lidocaine/Mepivacaine - used under actual observation of event management (or designated representative) and/or the official show veterinarian, either of which must sign the medication report form, to aid in the surgical repair of a minor skin laceration which, by its very nature, would not prevent the horse from competing following surgery. Another example would be treatment of a horse for a mild colic with Banamine that already had an NSAID in the allowed amount in its system. Medication must be done in the presence of show management or designated representative and report form must be filed with show management as required above.

14.3 Complaints, Protests and Dispute Resolution

14.3.1.A Member Complaints/Protests.

Any person desiring to file a complaint against a member or non-member regarding any alleged violation of these rules may do so by submitting Intent to Protest within 7 days of discovery in writing to the NRCHA Management. Within 30 days of discovery, a written protest must be filed with the NRCHA Management together with a cashier's check in the amount of \$100, made payable to the National Reined Cow Horse Association. Complaints submitted by an NRCHA Director, NRCHA Staff, Show Representative, Show Management or Judges are not required to file the \$100 fee. Upon receipt, all complaints will be referred to the Ethics Committee for investigation and consideration. If the Ethics Committee determines, after investigation, that no further action is warranted, the complainant will be notified, and no further action will be taken on the matter. If the Ethics Committee determines, after investigation, that there are grounds for possible disciplinary action, the NRCHA Management shall be notified and the matter will be scheduled for a hearing before the NRCHA Board of Directors. Complaints submitted through the NRCHA Contest Report, by show management, by NRCHA Rep-

representative or by judges shall be handled in the same manner as outlined above.

14.3.1.B Corporate Governance. The NRCHA Board of Directors may take up, consider and determine any matter or rule violation that in its discretion relates to, involves or impacts the corporate governance of the Association. The presiding member of the Board of Directors may set such matters on the agenda of a meeting of the Board of Directors for consideration, review and determination. Any member who is the subject of such matter before the Board of Directors shall be given notice and an opportunity to attend the meeting of the Board of Directors in the same manner as the body is meeting (i.e. in person, telephonically, or by other electronic or video means). The determination of the Board of Directors in matters of corporate governance shall be final and binding on the Association and its members.

14.3.2 Membership in the NRCHA is a privilege and not a right. Any member may be disciplined, placed on probation or suspended from the Association and any member or non-member may be denied all privileges of the Association by the Board of Directors whenever it shall have been established by the preponderance of the evidence that such member or non-member has violated any rule of the Association. When the rule in question contains a specific punishment provision, any disciplinary action taken by the Board of Directors must be consistent with that provision.

14.3.3 With regard to Complaints/Protests, when anyone is accused of any rule violation, he/she shall be given not less than 15 days' notice of a time and place for hearing such accusation by the Ethics Committee, at which time and place he/she shall have the opportunity, in person or by counsel, to be heard and to present evidence in his/her own behalf and to hear and refute evidence offered against him/her.

14.3.3.A No continuance shall be granted unless requested in writing at least 7 days prior the hearing and good cause is shown. A continuance shall be granted or denied at the sole discretion of the NRCHA President or the Chairman of the Ethics Committee.

14.3.3.B The decision of the Ethics Committee, or other involved committees, shall be recommended to the Board of Directors and the Board of Directors decision shall be final and binding on all parties.

14.3.4 Each NRCHA member releases the NRCHA from liability and renounces any recourse which such member may have against the Association, its affiliates, associated companies or business entities, officers, directors, employees and members, jointly, severally, individually and in their official capacity, of and from any and all claims, damages and causes of action whatsoever arising out of or in connection with enforcement or interpretation of the Bylaws or Rules and Regulations.

14.3.5 If any provision in this Section 14.3 shall be held or made invalid by a court decision, statute or rule, or shall be otherwise rendered invalid, that provision shall be stricken and the remaining provisions shall not be affected thereby.

14.3.6 When disciplinary action is taken against a member or non-member, the person's name, the rule violated, and the disciplinary action taken will be published in the *Reined Cow Horse News*.

14.3.7 A member on probation may participate in NRCHA activities, although any rule violations occurring during the probationary period will result in additional penalties, fines or suspension.

14.3.8 A suspended member of the NRCHA will not be considered a member in good standing and will not be allowed to participate in an NRCHA or NRCHA Affiliate approved or sponsored reined cow horse contest as an owner of a horse, rider, agent or judge. A suspended list will be published in the NRCHA publication, *Reined Cow Horse News*. In the event such suspended member enters an approved event during the period of time he/she is suspended as an owner, rider, agent or judge, an additional 6 months will be added to his/her suspension.

14.3.9 Every person who is suspended by the National Reining Horse Association, American Quarter Horse Association, National Cutting Horse Association or the American Paint Horse Association for unsportsmanlike conduct at a show or contest shall be suspended by the NRCHA upon official notice to this Association from the AQHA, NRHA, NCHA or APHA of any such disciplinary action.

14.3.10 The NRCHA may honor the disciplinary actions of its affiliate organizations when supplied with satisfactory evidence that the person so disciplined has been given a full and impartial hearing by the affiliate organization involved; however, any action taken by affiliates will not limit any authority or jurisdiction of the NRCHA.

14.3.11 Any member of the NRCHA who threatens, or actually inflicts bodily harm or injury to another person based upon that person's actions, conduct or decisions, shall be suspended from membership in the NRCHA for a period of not less than one (1) year.

14.3.12 If any member institutes litigation in which the Association is included as a defendant in an effort to recover damages, to overturn enforcement or interpretation of the Bylaws or Rules and Regulations, or for any other reason whatsoever, and does not prevail in said litigation by the recovery of all relief requested, said member shall be liable to the Association for its attorney's fees, costs of court and other expenses incurred in connection with such litigation. Venue for any litigation in which the Association is included as a defendant shall be the county of the Association headquarters. Further, the member agrees such litigation is limited to judicial review to ensure that the rules of Association are lawful, in keeping with public policy, and that any rule interpretation is within the bounds of reason and any rule enforcement is uniform and not arbitrary or capricious. Each member agrees that in no event shall the Association be liable to a member for consequential damage, exemplary or punitive damages, or attorney's fees.

14.3.13 No person shall make a derogatory remark, nor take or threaten to take adverse action against an NRCHA sponsor, its agents, servants, or employees, relating in any manner to the sponsors involvement with the NRCHA or an NRCHA event. Any person who violates this rule is subject to disciplinary action and

is also responsible to the NRCHA for any loss or damage caused by a violation of this rule.

14.3.14 Every notice required by these rules and regulations may be served by delivering a copy of the notice to the person to be served, or his/her attorney, in person or by mail, postage prepaid, to his/her last known address as it appears on the Association's records and upon mailing, such notice shall be deemed received by such person when it is deposited in the United States mail.

14.3.15 If any member institutes litigation in which the Association is included as a defendant, that member will not be considered a member in good standing with the NRCHA.

15 SELF ADJUSTED MONITOR SYSTEM

15.1 Definition: A self-adjusted monitor system may be used at NRCHA Approved Shows. A single judge, in a Self-Adjusted Monitor System, may call for a review of any of the major penalties listed in NRCHA 15.1.1 thru 15.1.4. In a multiple judge system, when there is a major penalty marked by at least one judge, and at least one of the other judges did not mark it, a review of the penalty is mandatory. Major penalties shall be defined as follows:

15.1.1 In the rein work, a 2 point penalty or greater, with the exception of marker penalties and cumulative lead penalties may be reviewed.

15.1.2 In the cow work, boxing and box drive, 2 point penalties and above may be reviewed.

15.1.3 In the herd work, 3 point penalties and above may be reviewed.

15.1.4 In the Steer Stopping, 2 penalties and above may be reviewed.

15.1.5 A judge in a single or multiple judged situation should mark his/her card with an "R" to indicate a review is needed for penalties mentioned in 15.1.1 through 15.1.4. The review should be communicated to the announcer in lieu of a score.

15.1.6 During the review, in a multiple judge situation, each judge will have an opportunity to re-assess the penalty in question. Until the review is complete and a final decision is made, the penalty shall remain on the score card(s) as originally marked. Once the review is complete, the judge(s) will mark in the appropriate score. For judges who add a penalty or take one away at the time of review, they should either strike through the penalty legibly or add it and circle it to show it was added. The previous score should be struck through and the new score circled to the side of the score box with the judges initials.

15.2 Show management has the right to consult the NRCHA Director of Judges at any time regarding the Self-Adjusted Monitor System.

RULES FOR JUDGING: 16 JUDGES

16.1 The Judges Committee shall review and recommend a list of individuals to act as judges in the events approved by the association. Individuals may be added or removed from the approved list of judges in the manner prescribed by the Judges Committee. Designation as an NRCHA approved judge is a privilege, not a right, bestowed by the NRCHA Board of Directors, according to procedures formulated by the Judges Committee. This privilege shall be open to individuals whose equine experience and expertise, as well as personal character, merits the honor. An individual's conduct as a member, exhibitor, and judge, and his/her ability must be exemplary. An individual's conduct will be subjected to continuous Committee review. A list of approved judges shall be kept and maintained current by the Association and shall be made available to the public upon request to the Association. There shall be a Judge's seminar given at least once each year.

16.2 Application Procedure

16.2.1 An application to become a judge may be obtained from the Association. A prospective judge must attend an NRCHA Judges Seminar. And upon passing the testing requirements as set forth by the Judges Committee will have their name added to the Judges list.

16.2.3 Approved judges must be current NRCHA members. **Judges must have held an NRCHA membership for at least one year prior to being listed as an approved judge.**

16.2.4 Judges in good standing **will be required to take an annual renewal** test to keep them familiar with new rules or changes.

16.2.5 The applicant shall be required to pass a written test with a score of 80% or above and video test with a score of 70% or above on each phase of the video test.

16.2.5.1 After attending an NRCHA Judge's Seminar and passing the Judges Exam – both written and video, the qualified applicant may apply for their NRCHA Judges Card to be approved by the NRCHA Judges Committee.

16.2.6 It is recommended that Judges complete the attendance requirements at functions prescribed by the Judges Committee.

16.2.7 A judge with a questionable judging record may be asked to attend a judging seminar and/or test as deemed by the Judges Committee or the Director of Judges.

16.2.8 Judges will be classified based on experience and judging record. The classification system is as follows:

16.2.8.1 "AAAA" Judge: AAAA Judge is the highest rating and is eligible to judge any Major Event. A 4A judge must be an active, experienced, knowledgeable NRCHA Judge. They must judge by the rules and use their score sheets correctly. (This helps the exhibitors understand their scores).

Eligibility for a 4A rating can be achieved by the following criteria:

- 1) Must have been a 3A Judge that has judged at least 3 Major Events where the NRCHA Director of Judges served at the Judges monitor.
- 2) Must have judged in a 5 Judge system where the NRCHA Director of Judges served as a Judges monitor.
- 3) Must be well informed, have practical knowledge, be a co-operative and willing teammate.

The Director of Judges and the Chairman of the Judges committee will recommend to the Judges committee that a Judge be elevated to 4A when all criteria has been met. The Judges committee shall then recommend to the Board the judge's designation.

16.2.8.2 "AAA" Judge: A AAA judge may judge any NRCHA show AAA judges may judge a major Limited Age Event along with a AAAA judge. Judging 3 major monitored Limited Age Events will qualify a AAA judge for application for a AAAA rating.

16.2.8.3 "AA" Judge: An AA judge may judge any NRCHA show. AA judges are allowed to judge any NRCHA show other than a major Limited Age Event. After judging 10 NRCHA shows without a valid written protest, the judge may apply for a AAA rating. The exception to this rule is a knowledgeable, experienced judge from another discipline could be allowed to judge a major Limited Age Event when the NRCHA Director of Judges serves as the judges monitor.

16.2.8.4 "A" Judge: An A judge is an entry level judge and is allowed to judge any NRCHA show other than a major Limited Age Event. After judging 3 NRCHA shows without any valid written protests, the judge may apply for an AA rating.

16.2.9 A judge cannot judge a contestant if within 30 days prior to an event any of the following situations exist between contestant and judge:

16.2.9.1 Buying or selling a horse

16.2.9.2 Giving or taking lessons

16.2.9.3 Training of a horse

The responsibility would lie with the exhibitor. If a horse is entered and a conflict of interest exists: If the horse has not been shown, the horse may be scratched with entry fee refunded. If the horse has been drawn in but has not yet shown, the entry fee will be not be refunded. Show management has the option to refund office and cattle. If the horse is shown, there will be no refunds.

16.3 Guidelines For Judges

16.3.1 National Reined Cow Horse Association Judges shall represent themselves in a professional manner at all times. Equine expertise, personal character, integrity and interest in the Reined Cow Horse are qualities of an NRCHA Judge.

16.3.2 NRCHA Judges are to base their judgment on the appropriate rules, as they are found in the current NRCHA rule book and to place the horses accordingly.

16.3.3 NRCHA Judges shall always be courteous to show personnel, exhibitors, spectators, and fellow judges. NRCHA Judges are expected to pursue continuing education to stay up with current judging and scoring techniques.

16.3.4 Judging Requirements:

16.3.4.1 Judges must hold current NRCHA membership. Membership is considered delinquent if not paid within the month fol-

lowing expiration. A judge delinquent in the payment of dues for a period of six months after the delinquent date will be removed from the list of approved judges and will be required to undergo full testing procedures to be reinstated. Judges are prohibited from officiating at an NRCHA approved show if their membership is expired. If an NRCHA judge does not have a current membership and accepts a job as an NRCHA Judge, he/she will be fined \$100 and must also pay the membership fee.

16.3.4.2 After accepting a judging commitment, the judge shall endeavor, with all reasonable effort, to judge the show. If he or she is unable to do so, he or she should notify show management immediately, to allow show management maximum time to seek a suitable replacement. Additionally, the judge shall immediately contact the NRCHA Director of Judges with an explanation as to why they could not fulfill their obligation.

Judges have until March 1st of the following year to fulfill their seminar requirement (Example: If a person received their judge's card in 2005, they would have until March 1st, 2009 to attend another seminar to keep their card.) A judge may be credited with attending a seminar by the director of judges in the event they successfully judge a qualifying NRCHA Premier Event.

16.3.4.6 Judges who do not comply with 16.3.4.5 will be dropped from the approved judges list.

16.3.4.7 To be reinstated, the judge must attend a seminar within the calendar year he/she was dropped from the list and must be administered a one-time written exam. The exam must be passed with a score of 80% or above; only then may he/she be added back to the approved judges list. If the judge does not pass this written exam, he/she will need to attend an additional seminar and meet the requirements of NRCHA Rule 16.2.5 at another time.

16.3.4.8 Judges selected to judge the NRCHA Snaffle Bit Futurity® are not allowed to judge any other 3 year old limited age event within 60 days of the start of the NRCHA Snaffle Bit Futurity® and/or with more than \$5,000 added in total for all 3 year old classes within the event.

17 DISCIPLINE

17.1 The Judges Committee, upon receipt of information that may adversely affect a person's ability to be a judge, may temporarily suspend a judge's privileges pending a hearing before the Judges Committee. In the event the Judges Committee votes to have a hearing on an issue concerning a judge, the hearing and scheduling shall be conducted in accordance with the disciplinary procedures set for the NRCHA Rulebook. The Judges Committee

shall have the power to suspend an individual's designation as an "NRCHA judge" and/or to impose whatever the Committee determines to be an appropriate penalty for conduct which may adversely affect an individual's designation as an approved NRCHA Judge.

17.2 In the event the Judges Committee determines that a hearing is required, the accused may appear, with or without counsel and present any evidence on his/her behalf, as well as to confront the evidence presented against him/her. If the committee decides that disciplinary action and/or penalty is appropriate, or is required, the Committee shall have the power to enforce any penalty. The accused shall have the right to appeal the Judges Committee decision to the Board of Directors. The appeal must be filed in writing with the NRCHA office within fifteen (15) days of receiving the Committee's written statement of findings, facts and conclusions. In the event no appeal is filed the decision of the Judges Committee shall become final. If, however, an appeal is taken, the NRCHA Board of Directors will schedule a hearing and conduct the same in compliance with the conditions set forth in the NRCHA rulebook for disciplinary actions.

17.3 If an appeal is not filed, the Board of Directors, at their next meeting, shall then adopt the findings of the Judges Committee and the penalty imposed by the Judges Committee. The Board of Directors may, in addition to any penalty, remove a person from the judges list.

18 SCORING

18.1 General Description - Credit must always be given when applicable, even when there is a penalty involved. When the judge is in doubt, benefit always goes to the contestant. The scoring system is based on 60-80 points. Half-points may be used. The contestant is judged from the time that he/she enters the arena until he/she completes the pattern.

18.2 Horses are judged on performance only.

18.3 Scoring System - The scoring system for NRCHA approved classes/events is based on a 60-80 point system. The lowest score possible is 60 points and the highest score possible is 80. The average score for a typical work is 70 points.

18.4 Failure of exhibitor to attempt to take the cow down the fence in the fence work portion of the class; failure to attempt to complete the reined work portion of the class; failure to attempt the herd work; failure to attempt to work the cow work pattern in the Non Pro or Youth Boxing will result in the exhibitor not being eligible for points or placing. This will be considered a Non-Entry and will be designated by the judge as N-E in the score box of the judge's cards. An entry which attempts to complete the cow work pattern and has not been disqualified will be scored accordingly at the judge's discretion. An entry going off pattern in the rein work will receive a score of zero. An entry which attempts both the rein work and the cow work portion may be placed, even if a 0 score is received in one portion of the class. (Example: If a horse is disqualified and receives a 0 score for the rein work, but scores

a 70 for the cow work, its total score would be a 70 and the horse would be eligible for placing.)

18.5 A judge may blow his/her whistle at any time to terminate the work. A score of zero will be given if the work is not complete at that time.

18.6 Horse must appear visibly sound at the beginning of the run. In the case of a multiple judged event the majority of the judges must agree on soundness prior to the horse beginning the pattern or work. Obvious lameness will be cause for immediate disqualification.

18.7 A No Score will include abuse or lameness of the horse. Abuse is defined as exhibiting a lame horse, abusive showing or schooling techniques. Zero tolerance is defined as: Abusive showing techniques will not be tolerated and will be whistled out by the judge immediately. Failure of exhibitor to stop immediately will result in a fine, suspension or both.

18.8 A No Score is not eligible for placing or points but will count as an entry in the class.

A Zero Score is eligible for placing or points and will count as an entry in the class. A Non-Entry (N-E) is not eligible for placing or points and will not count as an entry in the class

19 JUDGING

19.1 Herd Work – Maneuver Scores for Herd Work: The NRCHA has divided each herd work into sets of maneuvers. It is the judge’s responsibility to evaluate these maneuver groups individually and rate each maneuver group on the following scale:

- - Extremely Poor

- Very Poor

✓- Poor

✓ Correct

✓+ Good

+ Very Good

++ Excellent

Judging will begin at the time line. The contestant shall approach the herd with no hesitation, weaving or reluctance on the part of the horse to enter the herd sufficiently deep enough to show his ability to make a cut. The horse shall work quietly, but alertly, causing very little disturbance to the herd or the animal brought out. Credit will be given for driving cattle, clearing the herd by a sufficient distance and setting up a cow while holding it in a working position as near the center of the arena as possible. The degree of difficulty, eye appeal and the amount of courage in staying on a tough cow will be taken into consideration. The amount of time actually spent working cattle in the 2½ minute period will have a positive effect on the total score. The horse should show a great deal of expression but no ill will toward the animal. Judging will end at the whistle.

If an exhibitor is taking an excessive amount of time to get to the herd after their number is called the following will occur: the Director of Judges (if the Director of Judges is not there, then a

designated judge) will contact the announcer and the announcer will give the exhibitor a “second call”. If the exhibitor still is not starting to the herd, a 15 second call will be given and then the time clock will be started. Special consideration will be given to exhibitors who helped the previous exhibitor in the herd.

Herd Work- Penalty Points:

1 point penalties:

- A. (Miss) Loss of working advantage; Definition: When a horse goes by or misses to the degree that he loses his position to maintain control of the cow.
- B. Noise directed by contestant toward cattle; Definition: Any noise directed by the contestant toward the cattle will be penalized 1 point for each time.
- C. Working out of position; Definition: The position of the horse in relation to the cow being worked, being either too long or too short while working to control the cow.
- D. Toe, foot, or stirrup on shoulder; Definition: A 1 point penalty will be charged each time the toe, foot or stirrup actually touches the horse’s shoulder.

3 point penalties:

- A. Hot quit; Definition: A Contestant may quit an animal when it is obviously stopped, obviously turned away, is obviously behind the turnback horses and turn back horses are behind the time line. A penalty of 3 points must be charged if the animal is quit under any other circumstances.
- B. Cattle picked up/running into or scattering herd; Definition: Each time a horse runs into the herd or scatters the herd while working or picking up cattle through fault of the horse, he will be penalized 3 points. The entire cow must enter the working area of the horse. (Working area of the horses is defined as an imaginary line paralleling a straight line connecting the outer limits of the back fence and being in front of the horse’s head.)
- C. Failure to make a deep cut; Definition: Each horse is required to enter the herd sufficiently deep enough to show his ability to make a cut. One such deep cut will satisfy the rule. Note: It is more important for the judge to consider the depth and route taken by the cutter than it is to count the number of cattle that move around his horse. It is necessary, however, for the cutter to actually get behind some cattle before this rule is to be satisfied.
- D. Back fence; Definition: The horse will be penalized each time the back fence actually stops or turns the animal being worked within one step (3 feet) of the fence. The back fence markers are considered part of the back fence.

5 point penalties:

- A. Horse quitting a cow; Definition: When the horse refuses to stop or turn around with the cow.
- B. Losing a cow; Definition: When the horse lets the animal that he is working get back to the herd. Note: At the buzzer, loss of cow occurs at the moment the horse can no longer regain his

working position and the cow leaves the working area of the horse.

- C. Changing cattle after a specific commitment; Definition: When the rider changes cattle after visibly committing to a specific cow.
- D. Failure to separate a single animal after leaving the herd; Definition: When the horse clears the herd with two or more cattle and fails to separate a single animal before quitting. No penalty if time expires. This rule only applies when making a cut.
- E. Blatant disobedience, defined as kicking, biting, bucking, rearing, striking, or obviously insubordinate.
- F. Spurring or hitting in front of the cinch at any time or excessively whipping or spurring the horse; Definition: Spurs, reins or rider must actually make contact with the horse, in front of the cinch, for this rule to apply.

-0- score:

- A. Horse turns tail; Definition: If the horse turns the wrong way with tail toward the animal being worked.
- B. Using two hands on the reins in a bridle; Definition: If the hand holding the romal touches the closed part of the reins it is considered two hands on the reins.
- C. Fingers between the reins in a bridle.
- D. Illegal equipment.
- E. Leaving working area before time expires; Definition: Any rider who allows his horse to quit working or leave the working area before time expires.
- F. Fall of horse or rider; Definition: A horse is considered to have fallen to the ground when the hip and shoulder are touching the ground and all four feet are extended in the same direction. Rider has fallen when he or she is no longer astride the horse.
- G. Bloody mouth (inside).
- H. Improper Western Attire.
- I. Failure to work in the proper working order.

NOTE: A judge may blow his/her whistle at any time to terminate the work. A score of zero will be given if the work is not complete at that time.

No Score

- A. Abuse
- B. Lameness of the horse

19.2 Reined Work - Maneuver Scores for Reined Work: The NRCHA has divided each rein pattern into sets of maneuvers. It is the judge's responsibility to evaluate these maneuver groups individually and rate each maneuver group on the following scale:

- 1½ ----- Extremely Poor
- 1 ----- Very Poor
- ½ ----- Poor
- 0 ----- Correct
- +½ ----- Good
- +1 ----- Very Good
- +1½ ----- Excellent

Reined Work: Horses shall work individually. Judging begins the moment the horse enters the arena. There will be no schooling from the time the horse enters the arena. A reined work must consist of the following: circles, lead changes and runs terminating in well-balanced stops straight to the line of travel, turns and a back-up of a reasonable distance with slight hesitations denoting each maneuver. NRCHA Rein Work Patterns found in this book are required for any approved NRCHA Event. The judging ends when the rider indicates he/she is finished by coming to a complete stop. Praising or rewarding of the horse is only allowed after the reining pattern is complete and before the exhibitor calls for a cow.

The best reined horse shall be easily guided or controlled with little or no apparent resistance. Bad manners exhibited by the horse will be penalized. All deviations from the exact given pattern must be considered a loss of control and marked down accordingly. Credit shall be given for the smoothness, finesse, attitude, quickness and authority of performing various maneuvers while using controlled speed which raises the difficulty level and makes the horse more exciting and pleasing to watch.

Circles: Circles are a controlled maneuver at the lope in the designated area of the arena. Emphasis on the scoring shall be given to the contestant exhibiting smooth, controlled figure eights with easy lead changes. Right and left circles shall have a common center line in the middle of the designated area. Circles shall be run and/or begun on the correct lead. The speed and size of the right circles shall be exactly the same as the speed and size of the left circles. The horse shall lope in an even, fluid manner with a minimum of rider contact and/or commands. Circles shall be run far enough from arena wall that it does not affect the circles.

Lead Changes: The act of changing the propelling side of the horse's body when changing the direction traveling at a lope. The lead change must be executed at a lope with no change of speed or gait. The horse shall change leads at the exact location dictated in the pattern description and shall change in one stride. A horse shall be considered out of lead if both front and rear leads are not changed in the same stride.

Jogging: Jogging up to 2 strides incurs a ½ point penalty, jogging beyond 2 strides up until one-half circle or one-half the length of the arena will incur a 2 point penalty. Jogging in excess of one-half circle or one-half the length of the arena will result in a score of 0. In determining whether a ½ or 2 point penalty has been incurred, it is useful for a judge to consider the distance traveled and to count the steps of the rear legs. Four steps and under would represent 2 or less strides and require a ½ point penalty; 5 steps and more, therefore, would require a 2 point penalty.

Run-Downs: Runs lengthwise through the arena. They shall be made as described in the given pattern, unless the judge indicated otherwise due to arena conditions. The horse shall demonstrate a relaxed fluid attitude when starting a run-down and throughout the maneuver. The horse shall use controlled speed consistent with the size of the arena and the condition of the ground. The horse shall travel in a straight line with a minimum of contact with the rider.

Straight, controlled run-downs with square, smooth stops, maintaining suppleness and proper head position are desirable.

Stops: Shall be in line with the direction of travel. Horse shall have its hocks well under it during the entire stop, maintaining a proper head position and response to a light rein.

Spins: Consistent and positioned 360 degree turns. Spins shall be smooth and efficient. The location of the hind quarters shall be fixed at the start of the spin. The horse shall stop the spin exactly as dictated by the pattern description. The right and left spins shall have a similar speed and balance.

Back-up: The horse being caused to move in a reverse motion in a straight line for a required distance. The horse shall begin the back-up in a controlled manner and shall continue to back-up without hesitation until directed to stop by the rider. In the instance where a horse backs up where a back-up is not specified in the pattern, the penalty score of 0 will be incurred when the horse backs more than 2 full strides. It is important to note one stride is defined as the complete movement or steps of all 4 legs, one time. In this particular situation it is very helpful for a judge to watch and count the steps of the front feet. Up to and including 4 steps of the front feet in the not required back-up receives no penalty; five steps and beyond constitutes the inclusion of a maneuver not specified and thus a penalty score of 0.

Hesitate: Hesitation is only long enough to show the completion of one maneuver before the next one starts. There shall be slight hesitation to indicate each maneuver.

Definition of fall of horse: When the horses shoulder and hip are on the ground and all four feet are facing in one direction. Fall of horse in any event receives a score of -0-.

Definition of fall of rider: Rider is no longer astride the horse.

Reined Work - Penalty Points:

½ point penalties:

- Not changing leads within the same stride
- Over or under spin $\frac{1}{8}$ turn
- Jogging first two strides

1 point penalties:

- Out of lead
- Out of lead each $\frac{1}{4}$ circle
- Slipping a rein in the bridle
- Scotching or anticipating a stop
- Over or under spinning up to $\frac{1}{4}$ turn

2 point penalties:

- Lead missed around end of arena past 2nd corner
- Not ever changing leads in patterns where there is only $\frac{1}{2}$ circle
- Failure to run by marker before stop is initiated
- Freezing up in turn
- Breaking gait (Break of gait is defined as “when the cadence of the lope is disrupted or not maintained.” Break of gait only occurs from the lope gait)
- Jogging beyond two strides up until one-half circle or one-half the length of the arena

- On trot in patterns, failure to “Stop” before executing a lope departure
- A stop in the first one-quarter of the circle, after a lope departure, is a break of gait
- At end of pattern, failure to hesitate to demonstrate completion of pattern.

5 point penalties:

- Spurring or hitting in front of cinch at any time or excessively whipping or spurring the horse
- Blatant disobedience, defined as kicking, biting, bucking, rearing, striking, or obviously insubordinate

-0- Score:

- Failure to complete the pattern as given (i.e. over or under spin more than $\frac{1}{4}$)
- Using 2 hands on the reins in a bridle or two rein class
- Fingers between the reins in a bridle class except in the two rein class
- Horse balking
- Bloody Mouth (inside)
- Illegal Equipment
- Leaving the working area before pattern is complete
- Fall of horse or rider
- Backing more than two strides, when backing is not called for
- Jogging in excess of one-half circle or one-half the length of the arena
- Improper Western Attire
- Failure to work in the proper working order.
- A judge may blow his/her whistle at any time to terminate the work. A score of zero will be given if the work is not complete at that time
- Failure to follow pattern as written. The exhibitor must trot or lope at least half the way to center of arena when pattern specifies trot or lope in.

N-E

- Failure of an exhibitor to attempt to work the pattern

No Score

- Abuse
- Lameness of the horse

Leads & Lead Change Penalties: A judge is required to penalize a horse $\frac{1}{2}$ of a point for a delayed change of lead by one stride. The penalty for being out of lead is cumulative, and the judge will add 1 penalty point for each $\frac{1}{4}$ of the circumference of a circle or any part thereof that a horse is out of lead.

19.3 Cow Work - Maneuver Scores for Cow Work: The NRCHA has divided each cow work into sets of maneuvers. It is the judge’s responsibility to evaluate these maneuver groups individually and rate each maneuver group on the following scale:

- - Extremely Poor
- Very Poor

✓- Poor

✓ Correct

✓+ Good

+ Very Good

++ Excellent

“The most important point when working a cow is for the horse to have the advantage or be in control of the cow. At the same time, the horse should exhibit a smooth willingness to do his job. He should respond to a light rein and show good manners in his face and body.” – Bobby Ingersoll.

19.3.1 Judging begins when the contestant enters the arena.

19.3.2 There shall be no schooling between the completion of the rein work and cow work, when the cow work immediately follows the rein work; the penalty for this will be a zero.

19.3.3 Pattern: The required pattern for the cow work is: boxing, fence turns and circles, in that order.

19.3.3.1 Boxing: At the start of the work, each contestant, upon receiving a cow in the arena, shall hold that cow on the prescribed end of the arena for a sufficient time to demonstrate the ability of the horse to contain the cow at that end. The horse should exhibit superior cow sense and natural cow working ability without excessive reining or spurring. In the head-to-head working position, the degree of difficulty shall be considered.

19.3.3.2 Turning: After a reasonable amount of time, the contestant shall take the cow down the fence, making at least one turn each way on the fence. The contestant must get a minimum of one turn in each direction when attempting the fence work. To qualify as a turn, the exhibitor must be in position to control the animal and be the cause of the animal to change course. During the turn, the horse should use himself in a controlled athletic manner, using its hocks to stop and drive out of the turn, while using its front end to balance and turn. More than two good turns in each direction should not result in extra credit but also should not be penalized unless the cow is thereby too exhausted to circle correctly. One turn each way may not necessarily result in extra credit if the horse and/or cow are out of control.

19.3.3.1 Types of Turns

Fence Turn: A turn in which the cow, while being run down the fence on one side of the arena is turned in a different direction and held near the same fence while being run in the new direction. The exhibitor must be close enough to the cow to be the cause of the turn. The situation where a horse and rider attempt to turn the cow and the cow exits the turn behind the horse is also considered to have satisfied the fence turn requirement. The route of the cow being worked has been altered because of the influence of the horse and rider.

Open Field Turn: A turn in which the cow, while being run down the arena more than 20 feet away from the perimeter fence is turned in a different direction and held on the same side of the

arena, while being run in the new direction. The exhibitor must be close enough to the cow to be the cause of the turn.

Circling Turn: A turn in which the horse, while attempting an open field turn does not use its hocks to stop and drive out of the turn, but instead continues forward motion and guides or 'circles' the cow into the new direction. If an exhibitor performs a circling turn as the second turn of a two (2) turn run, then they must show separation between the second turn and the first circle. To avoid a 2C penalty, they must then change sides on the cow after completing the circling turn and before beginning the first circle.

19.3.3.3 Circling - Then the contestant shall take the cow to an open part of the arena and maneuver the cow smoothly at least 360 degrees in each direction without interference from the fence. The circle's size, symmetry, speed and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation. The circles should be completed before the cow is exhausted.

19.3.4 Run Content:

19.3.4.1 The judge should take into consideration the size of the arena, condition of the ground and disposition of the cattle in scoring each work. If ground, arena and/or weather conditions are deemed unfavorable by the **show management**, they may inform the judge **and decide** to alter the required cattle work for safety reasons.

19.3.4.2 The greater the difficulty of the run, the more credit should be given. The difficulty may be due to the extreme speed or stubbornness of the cow, or the cow's reluctance to move down the fence when sufficiently driven by the contestant. The most controlled cow work, with the highest degree of difficulty, that exhibits good form throughout, should be marked the highest. Bad manners exhibited by the horse will be penalized under run content.

19.3.4.3 In the cow work phase of any class one hand on the horn may be used to prevent the fall of the rider. Holding the horn excessively may be penalized under run content.

19.3.5 New Cow:

19.3.5.1 When enough cows are available, the contestant should receive a new cow if the cow drawn is unreasonably difficult or unworkable. The judge will indicate new cow by blowing his/her whistle twice – indicating the awarding of a new cow. Allowing the horse to quit working before the judge signals for a new cow will result in a zero score. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor intends to accept the new cow, he or she must initiate the pull up immediately: instantly, at once, without delay. If the exhibitor is using a bridle or two-rein setup, he/she must not use two hands at any time; either when pulling up from the cow being worked, or while waiting for the new cow. From the time the exhibitor enters the arena until the final whistle, signifying the work is complete, the pair are being judged. If two hands are used on the bridle reins at any time, a score of zero will be applied. With a

multiple judge system, any one of the judges may terminate the work or signal for a new cow.

19.3.5.2 In the case of an emergency (Such as a person falling into the arena or part of the arena falling apart) the judge may blow two whistles for a second time. At this point, the contestant has no option to continue and must receive a new cow. Contestant must pull up immediately or a score of zero will be given.

19.3.5.3 During the cow work, when a cow leaves the working area, it is automatic that the contestant will receive a new cow and scoring will begin again with the new cow, unless the contestant has been awarded a new cow and opted to continue working the current cow. **If the contestant had incurred any major penalties before the cow leaving the arena, the penalties will carry over to the new cow.**

19.3.5.4 Once a rider has committed to circling a cow, if the cow falls down no new cow will be awarded. The rider should complete the run by riding around the fallen cow to fulfill circling requirements.

19.3.5.5 In the case that a rider is awarded a third cow, the rider will have the option to work their new cow or to rest their horse and work their new cow at the end of the next set. If the rider is in the last set of the class they shall be afforded up to 20 minutes for their horse to recover before working the third cow. If the rider elects to leave the show arena, the horse must stay in the warm-up area adjacent to the show arena. If the horse leaves the warm-up area or works a cow, the run will result in a 0 score.

19.3.6 Terminating the Work

19.3.6.1 The judge may blow his/her whistle once at any time during the work to terminate it.

19.3.6.2 If at any time a judge feels that the contestant is out of control endangering themselves and/or their horse, the judge may terminate the work, and a score of zero will be given.

19.3.6.3 Judging ends when the whistle blows. A score of zero will be given if the work is not complete at that point.

Cow Work - Penalty Points:

1 point penalties:

- A. Loss of working advantage
- C. When the cow's head breaks the plane of the 1 point marker.
- E. Changing sides of arena to turn cow. (1 point each time)
- L. For each length horse runs past cow. A length by is 1 horse length of daylight between the cow's head and the top of the horse's tail.

- C. **Circling Turn** – This penalty applies only in a two (2) turn run in which the second turn is an attempted open field turn where the horse never achieves a stopping position between the 2nd turn and the first circle; in the situation where it is not possible to tell where the second turn ends and the first circle begins.

3 point penalties:

- D. Dangerous Position
- E. Exhausting or overworking the cow before circling.
- H. Hanging up on the fence (refusing to turn).

Hang-Up; Definition: When attempting to turn a cow on the fence a horse is considered to be hung up when the animal being worked exits the turn and the horse momentarily refuses the riders command and freezes up (stops lateral movement of the shoulders). Also considered a hang-up is when a horse is put in a position where it is physically impossible to complete the turn and the lateral movement of his shoulders is stopped.

- I. Fall of horse or rider
- J. Schooling of the horse between the rein and cow work when the cow work immediately follows rein work

- L. If a rider hits or kicks the animal being worked, with the romal or reins, in an abusive manner
- N. Improper Western Attire
- O. Failure to work in the proper working order.

N-E

Failure of an exhibitor to attempt to complete the work.

19.4 Boxing Class Cow Work – Maneuver Scores for Boxing Class Cow Work: The NRCHA has divided each boxing class cow work into sets of maneuvers. It is the judge’s responsibility to evaluate these maneuver groups individually and rate each maneuver group on the following scale:

- - Extremely Poor
- Very Poor
- ✓- Poor
- ✓ Correct
- ✓+ Good
- + Very Good
- ++ Excellent

The goal of this class is to introduce the rider to the “boxing” phase of the cow work. Judging begins when the contestant enters the arena. There shall be no schooling between the completion of the rein work and the cow work, or between cows if a new cow is awarded. The penalty for this is -0-. Each contestant, upon receiving a cow in the arena, shall hold that cow on the prescribed end of the arena for 50 seconds, demonstrating the ability of the horse and rider to control the cow. It is legal to hold the reins and romal in one hand (rein hand) while boxing the cow. Time shall begin when the gate closes behind the cow after being let into the arena. The announcer or judge will signal the completion of the 50 seconds with a whistle or horn. The horse will be scored using the “Boxing cow work scoring guidelines”. New cow guidelines will follow rule 19.3.5.

19.5 Steer Stopping – In the steer stopping the horse will be judged on the box, run & rate, stop, position, degree of difficulty and eye appeal. Judging begins when the horse enters the arena.

19.5.1 The use of a rope barrier or an electronic eye will be at the discretion of show management. The penalty for breaking the barrier shall be 5 points.

19.5.2 The roper on the horse being judged may throw a total of 2 loops within a 60 second time limit.

19.5.3 If more than 1 loop is thrown, the rider must recoil and build additional loops as required. If the rider fails to catch and dally within the 60 second time limit, he/she will retire from the arena with -0- score.

19.5.4 Riders are to stay mounted. Loss of rope by the rider is automatic score of -0-.

19.5.5 Scoring will be on the basis of 60-**80** points, with 70 points being average. Each maneuver will be scored from a plus **1½**(excellent), to a minus **1½** (extremely poor), in ½ point increments. Eye Appeal and Degree of Difficulty will be scored from a plus 1 ½ (excellent), to a minus 1½ (poor), in ½ point increments. The maneuver scores will be added or subtracted from 70 to come up with the score.

19.5.6 Legal catches are both horns, half head or around the neck. If a steer is roped any other way, and the rope can be removed while the rider is still mounted, he/she may continue to rope within the 60 second time limit. A score of -0- will be given for no catch or failure to dally.

19.5.7 Arena is to be clear except for the flagger and help to line the cattle. The flagger's only responsibility is to check for legal head catches, either in the arena or at the catch pen.

19.5.8 It is the contestant's responsibility to signal when the run is complete so the head catch can be checked.

19.5.9 Only one hand on reins is legal.

19.5.10 Romal reins and roping reins are legal.

19.5.11 If steer leaves the arena during the 60 second time limit, timer will stop the clock. The contestant will carry time and all major penalties that have occurred up to this point over to the new steer. Contestant will receive the new steer lap and tap. (No Barrier)

19.5.12 If a judge awards a contestant a new steer, the run will start over clean with no penalties.

19.5.13 If a steer is deemed unusable by a judge or show management, that steer will be removed from the pen of cattle used for the competition.

19.5.14 Once the steer has been released from the chute, should the judges deem it unusable, they have the option of blowing the whistle 2 times to signal for a new steer. 19.6 Box Drive Class Cow Work – Maneuver Scores for Box Drive Class Cow Work: The NRCHA has divided each box drive class cow work into sets of maneuvers. It is the judge’s responsibility to evaluate these maneuver groups individually and rate each maneuver group on the following scale:

- - Extremely Poor
- Very Poor
- ✓- Poor
- ✓ Correct
- ✓+ Good
- + Very Good
- ++ Excellent

The goal of this class is to introduce the rider to the “fence work” phase of the cow work.

19.6.1 The class will have its own rein work, and will not run concurrently with Non Pro Boxing classes.

19.6.2 The horse will be scored using the “Box Drive scoring guidelines”.

19.6.3 Judging begins when the contestant enters the arena.

19.6.4 There shall be no schooling between entering the arena and the completion the cow work, or between cows if a new cow is awarded. The penalty for this is -0-. New cow guidelines will follow rule 19.3.5.

19.6.5 Pattern: The required pattern for the cow work is: box, drive, box, drive, in that order.

19.6.5.1 Part One - Box: At the start of the work, each contestant, upon receiving a cow in the arena, shall hold that cow on the prescribed end of the arena for a sufficient time to demonstrate the ability of the horse to contain the cow at that end. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow on the fence.

19.6.5.2 Part Two - Drive: After a reasonable amount of time, the contestant shall set up and drive/rate the cow down the fence, opposite fence of the judges, to the opposite end of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately ½ to ¾ the length of arena. Upon reaching the opposite end of the arena, the rider will release the cow.

19.6.5.3 Part Three – Box: Move horse toward center of arena to set the cow up for boxing. Again, box the cow for a sufficient time to demonstrate the ability of the horse to contain the cow at that end. If the cow does not immediately challenge the horse,

the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow on the entry fence.

19.6.5.4 Part Four – Drive: After a reasonable amount of time, the contestant shall set up and drive/rate the cow down the fence, opposite fence of the judges, to the opposite end of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained past the center marker and continue until the judge signifies the completion of the run or time expires. The rider will then release the cow.

19.6.6 Time Limit / Terminating the Work - Each contestant is allotted one minute and forty five seconds to complete the four-part cow work pattern.

19.6.6.1 The judge may blow his/her whistle once at any time during the work to terminate it.

19.6.6.2 If at any time a judge feels that the contestant is out of control endangering themselves and/or their horse, the judge may terminate the work, and a score of zero will be given.

19.6.6.3 Exhibitors are not required to use all the allotted time to complete the pattern.

19.6.6.4 Time shall begin when the gate closes behind the cow after being let into the arena. When there are 30 seconds left, the announcer will announce, 30 seconds remaining and at one minute and forty five seconds, the announcer will call for time.

19.6.6.5 Judging ends when exhibitor drives the cow past the middle marker the second time, judge ends the run with a whistle/horn or the allotted time ends, whichever occurs first.

19.6.6.6 If contestant is not in a working position that causes the cow to initiate at least one turn/change of direction on the second boxing phase before crossing the timeline and terminating the work, a five point penalty will be assessed.

19.6.6.7 After contestant drives cow past middle marker on first drive, no new cow will be given.

20 PATTERNS & MARKERS

20.1 The use of the patterns in the following section at NRCHA approved events is required. The following patterns are to be worked as stated, not as drawn. The drawn pattern is just to give the general idea of what the pattern will look like in the arena.

20.2 Markers are mandatory for all patterns. Markers will be placed on the wall or fence of both sides of the arena to the approval of the judges with the following as a guideline:

20.2.1 At the center of the arena.

20.2.2 The 1 point penalty marker for cow work shall be placed at each corner of the arena.

20.2.3 The 2 point penalty marker for cow work shall be placed a minimum of 20 feet past the 1 point penalty marker.

20.2.4 For herd work, the start line marker shall be approximately 60 - 70 feet from the back fence marker to the time line.

The judges shall be located approximately 120 feet from the back of the arena. The placement of the back fence marker shall be at the judge's discretion.

20.2.5 End markers for rein work shall be placed a minimum of 50 feet from end of the arena.

20.3 Where designated in the pattern for stops to be beyond a marker, the horse should begin the stop after he/she passes the specified marker.

20.4 Run in patterns are drawn so that the bottom of the page represents the end of the arena entered by contestants and must be run as such. In the event that an arena has only one gate and it is in the exact middle of the side, that side shall represent the right side of the page the pattern is drawn on. Walk in patterns are to be started either facing towards or away from the Judge.

20.5 All horses will be judged immediately upon entering the arena and judging will cease after the last maneuver. Any fault incurred prior to the commencement of a pattern will be scored accordingly.

20.6 Patterns that start with the circles may be used as lope-to-center patterns when posted as such by show management. Rider has the option to lope through the gate or walk through the gate and, without trotting, pick up the correct lead within the first quarter circle. Continue loping around the circle to the center of arena. At the center, without stopping or breaking gait, begin pattern. When using a lope to the center pattern, judging of the pattern will begin at the center of arena. Penalties occurring while loping to the center of arena to begin pattern will be assessed.

NHSRA Reined Cow Horse

Effective September 1, 2024 - August 31, 2026

General Rules:

REINED COW HORSE will use NRCHA rules when not in conflict with NHSRA rules. Contestants may change horses in the Reined Cow Horse throughout the season. A Contestant may not change horses between the rein work and cow work portion of an event.

1. Reined Cow Horse must be offered at all State/Province Finals. States/Provinces will have two options in conducting their qualified Reined Cow Horses.
 - a. Option I: Reined Cow Horse will be held at or assigned to each qualifying rodeo. All points earned in the Reined Cow Horse will be applied to the All Around.
 - b. Option II: The Reined Cow Horse will be offered at a minimum of three (3) times at the qualifying level. If optional Reined Cow Horse are approved, points may be used for an award for the All-Arounds for that qualifying rodeo.
 - c. Choice of Option I or Option II must be approved by the State/Province Board of Directors prior to the rodeo season. The decision must be conveyed to State/Province membership and the NHSRA office prior to the start of rodeo season.
2. The State/Province may hold their Reined Cow Horse Finals prior to their State/Province Finals Rodeo. If they choose to do so, the Reined Cow Horse must be held within 60 days of the State/Province Finals Rodeo.
 - a. All Reined Cow Horse must be approved on an activity sheet by the National Director and the National Executive Director.
 - b. States/Provinces are encouraged to hold as many Reined Cow Horse events as possible. Holding multiple events or events with local NRCHA associations may help to reduce cost.
 3. All states/provinces will hold a minimum of three (3) Reined Cow Horses at the qualifying level.

Event Rules:

1. Reined Cow Horse is co-ed. Boys and girls will compete in the same event.
2. Horse's name will not be announced; only the contestant's name and number may be announced.
3. In the Reined Cow Horse, each go round will be randomly drawn.
4. National Reined Cow Horse Association Open rules will be followed when not in conflict with NHSRA Rules.
5. Standing rules and rules for judging.
 - a. No two exhibitors can ride the same horse.
 - b. A contestant may drop out of the cow horse contest, due to injury to himself or horse.
 - c. All contestants will work at the appointed time so designated by the arena director or be disqualified. Horses are to be judged on performance only, regardless of conformation, sex, age, color, appearance, previous performance or breed.

- d. Each judge must sign his/her score card and the rodeo secretary shall post the score cards in a conspicuous place immediately following each performance. There must not be any consultation between judges until after score cards are turned in and after cards are turned in there will be no changes. Mathematical corrections can be made within one hour of the class ending. When two or more individuals are judging a cow horse contest and one or two judges cannot complete judging of a go-round, the score or scores of the remaining judge or judges who complete the go-round will be the sole basis of computing the go-round. Each judge must score each horse individually, and if any one of his scores is counted in a go-round, all of his scores must be counted. Judges must be mounted or seated on stands high enough to see clearly.
- e. When a contestant is thrown from a horse, or falls off a horse, or horse falls to ground, the work is terminated and a score of zero will be given for that part of the run. i.e. If a rider is thrown from a horse during the rein work, he or she may re-mount to complete the cow work portion of the event for a score.
6. The following rules were adopted as a judging standard of Cow Horse contest after due consideration and careful study by the National Reined Cow Horse Association. Attention was given to the fact that no two cattle will act alike. These rules constitute a fair basis for judging all Cow Horses in contest and determining both their good work and occasional bad habits. The reined work and the cow work will be judged separately from **60** to 80. The two scores are added together for the final score. A total score of more than 110 will be required to receive placing or points.
- a. **General Description: Credit must always be given when applicable, even when there is a penalty involved. When the judge is in doubt, benefit always goes to the contestant. The scoring system is based on 60-80 points. Half-points may be used. The contestant is judged from the time that he/she enters the arena until he/she completes the pattern.** A judge marks from zero to 80 points. An average performance should be marked 70 points. A judge should be careful not to mark an average performance too high because the next horse that shows may put on a top performance that deserves 5 or 6 points above average, and if the average performance was marked 75, that would leave no room to give the top horse the credit he deserves above the other.
- b. **Horses are judged on performance only.**
- c. **Scoring System - The scoring system for NHSRA classes is based on a 60-80 point system. The lowest score possible is 60 points and the highest score possible is 80. the average score for a typical work is 70.**
- d. **Failure of exhibitor to attempt to take the cow down the fence in the fence work portion of the class; failure to attempt to compete the reined world portion of the class; will result in the exhibitor not being eligible for placing. This**

we be considered a Non-entry and will be designated by the judge as N-E in the score box of the judge's cards. An entry which attempts to complete the cow work pattern and has not been disqualified will be scored according to the judge's discretion. An entry going off pattern in the rein work will receive a score of zero. An entry which attempts both the rein work and the cow portion may be placed, even if a 0 score is received in one portion of the class. (Example: If a horse is disqualified and receives a 0 score for the rein work, but scored a 70 for the cow work, its total score would be a 70 and the horse would be eligible for placing.)

- e. A judge may blow his/her whistle at any time to terminate the work. A score of zero will be given if the work is not complete at that time.
- f. Horse must appear visibly sound at the beginning of the run. In the case of a multiple judged event the majority of the judges must agree on soundness prior to the horse beginning the pattern or work. Obvious lameness will be cause for immediate disqualification.
- g. No score will include abuse or lameness of the horse. Abuse is defined as exhibiting a lame horse, abusive showing or schooling techniques. Zero tolerance is defined as: Abusive showing techniques will not be tolerated and will be whistled out by the judge immediately. Failure of exhibitor to stop immediately will result in punishment from the State, Provincial or National Board.
- h. A judge (or judges) shall present in writing any grievance that he may have against contestants or show to an officer, director, secretary, or duly elected or appointed representative of the National High School Rodeo Association at the time of the grievance, and his/her case will be reviewed by the appropriate committee.
- i. A judge shall conduct himself in a manner fitting and proper to one afforded the honor of officiating at any NHSRA approved contest. Any misconduct on the part of the judge at any NHSRA approved rodeo, such as drinking immediately prior the contest, the use of abusive language, showing obvious favoritism to, or discrimination against, either an individual or a horse performing in the contest, or any misconduct unbecoming to one in his position will make him subject to a complete and impartial hearing of the cause of the complaint before the appropriate committee.
- j. NHSRA cow horse judges do not have to be NRCHA approved judges. Judges should have equine experience and expertise, as well as good personal character and conduct. Judges must have a good understanding of the sport, rules and purpose of the cow horse event.

Equipment

1. Age-Appropriate Headgear - Horses 5 years old and younger may be shown in a snaffle bit, hackamore, curb bit, half-breed, spade bit or two-rein setup. Horses 6 years old and older may

only be shown in a curb bit, half-breed, spade bit or two-rein setup.

a. If asked, any contestant showing a horse in a snaffle or hackamore must provide the rodeo or show secretary documentation proving the age of the horse is 5 years of age or less. Documentation should physically describe the horse with drawings or photos. Examples: breed registration certificate, current health and coggins, grade registration from association or state brand papers.

b. If a contestant shows a horse that is 6 years old or over in a hackamore or snaffle they will be zeroed in both phases of competition.

2. Bit: Bit means the use of a curb bit that has a solid or broken mouthpiece, has shanks and acts with leverage. All curb bits must be free of mechanical device and should be considered a standard western bit.

a. The overall length of the bit shall not be longer than 8½ inches measured from the inside bottom of the top of headstall ring to point of pull in the bottom ring. Shanks may be fixed or loose.

b. Mouthpieces - Bars must be round, oval or egg shaped, smooth and unwrapped metal of 5/16" to 3/4" in diameter, measured 1" from the cheek. They may be inlaid, but must be smooth. However, wire on the sway bars (above the bars and attaching to the spade) of a traditional spade bit is acceptable. Nothing may protrude below the mouthpiece (bar), such as extensions or prongs, including upward prongs on solid mouthpieces. The mouthpiece may be two pieces and the port must be no higher than 3 1/2" maximum, with rollers and covers acceptable. Broken mouthpieces, half-breeds and spades are standard; Slip or gag bits, donut or flat polo mouthpieces are prohibited.

c. When using a curb bit, only one hand is permitted to be on the reins.

i. Split Reins - Rider may not switch hands. With split reins, only one finger is permitted between the reins. The hand is to be around the reins and the index finger, only, between split reins is permitted.

ii. Romal Reins - If romal reins are used, the reins can be held in either hand, with hand around reins in a fist position with thumbs up. The non-rein hand must be on the romal. (The keeper, or hobble, that attaches the romal to the reins is considered to be a part of the romal.) The non-rein hand is not allowed, at any time, to touch the reins or a score of -0- will be applied. The rider is allowed to shorten the reins while the horse is in motion as long as their hands are held in a legal manner. No fingers are permitted between the reins except when using a two-rein setup.

3. Snaffle Bit: Snaffle bits are a conventional O-ring, egg-butt or D-ring with a ring no larger than 4" in diameter. These bits must be such that when the reins are pulled no undue lever-

- age is applied, i.e. the inside of the circumference of the ring must be free of rein, curb, or head stall attachments.
- a. The mouthpiece should be round, oval or egg-shaped, smooth and unwrapped metal. It may be inlaid, but smooth. The bars must be a minimum of 5/16" in diameter, measured one inch in from the cheek with a gradual decrease to center of the snaffle. The mouthpiece may be two pieces.
 - b. A leather or other woven material chin strap or hobble of any width is to be used. No iron, chain or other material may be used. Chin Strap or hobble is allowed to include metal buckles and/or keepers on snaffle bits only. Reins are to be attached above the chin strap or hobble.
 - c. Split reins must be used; no closed reins. Two hands must be used on the reins, except to provide safety to rider or adjust equipment.
4. Two-Rein – In the Two Rein class bosals may be of any size, constructed of braided rawhide or leather and have a non-metal flexible core. No iron or foreign substance may be used.
- a. The rider must use one hand on the reins. Fingers between the reins will be permitted.
 - b. Both mecate and bridle reins are to be held in the rein hand.
 - c. The bit for a two-rein set up must follow bit rules defined in Rule 2 above.
 - d. The chin strap for a two-rein set up must follow chin strap rules defined in Rule 5 below.
5. Chin Straps – Required for curb bit, half-breed, spade bit or two-rein setup; they must be at least one-half inch in width, and must lie flat against the jaw of the horse. A curb bit must be used with a curb strap or curb chain properly attached.
6. Hackamore - Hackamore means the use of a flexible, braided rawhide, leather or rope bosal, the core of which must be flexible. A hackamore must use a complete mecate rein, which must include a tie-rein. Absolutely no rigid material will be permitted under the jaws, regardless of how padded or covered. Horse hair bosals are prohibited. This rule does not refer to a mechanical hackamore, which is prohibited.
- a. Two hands must be used on the reins except to provide safety to rider or adjust equipment.
7. Roping reins, choke ropes, tiedowns, nosebands or wire around the horse's neck are PROHIBITED.
8. Breast harness collars may be used. The rider must keep his hand free from horse's mane and breast harness collar.
9. The judges will have authority to have rider remove anything they think would be unfair to use in a contest.
10. Chaps and spurs may be worn.
11. Quirt or bat must not be carried.
12. A judge has the right to have a contestant report to him/her and drop their bridle.
13. If the rider uses illegal equipment while showing, he/she will receive a score of 0 in each phase of the competition.

14. Broken Equipment

- a. If at any time during a performance a piece of equipment breaks, the rider may continue provided the broken equipment does not pose a hazard to the rider and/or is not cruel to the horse.**
 - b. When the cow work immediately follows the rein work, broken equipment may be repaired between the two phases, within a 1-minute time period. If a new cow is awarded, the rider may repair equipment between cows as well.**
 - c. Rider may dismount, if necessary, to make the repair or pick up lost equipment or attire. Horse and rider may not leave the arena and may not receive physical assistance or equipment from outside the arena. If the rider is unable to continue because of the broken equipment, the rider will be excused with a score of zero.**
15. No choke ropes, tiedowns, or wire around the horse's neck will be permitted. Horse must be ridden with a bridle (with bit in the mouth and no noseband or bosal), or hackamore. Clarification: A two-rein rig is considered a bridle and legal piece of equipment. The bosalita piece of the two-rein rig is not considered a noseband or bosal. Hackamore must be made of rawhide and have no metal parts. Any wire, tight noseband or mechanical device that will give a rider undue control over a horse must not be used in contest. Reins must be romal reins or split reins and must not be made of nylon (no roping reins). If showing in a bridle, romal or split reins riders must show one handed. If showing in a bridle, two handed in the romal or split reins will result in a score of zero. If showing in a snaffle bit, split must be used shown two handed. Breast harness may be used. The rider must keep his hand free from horse's mane and breast harness. The judges will have authority to have rider remove anything they think would be unfair to use in a contest. Chaps and spurs may be worn. Quirt or bat must not be carried. Any time a contestant is guilty of an infraction of this rule, or any part thereof, he shall be penalized 10 points by each judge. A judge has the right to have a contestant report to him if he is suspicious of any infraction of this rule.
16. Bits: Snaffle bits mean the conventional O-ring, egg-butt or D-ring with a ring no larger than 4" in diameter (100 mm). The inside circumference of the ring must be free of rein, curb or headstall attachments which would provide leverage. The mouthpiece should be round, oval or egg-shaped, smooth and unwrapped metal. It may be inlaid, but smooth or latex-wrapped. The bars must be a minimum of 5/16" (8 mm) in diameter, measured one inch (25 mm) in from the cheek with a gradual decrease to center of the snaffle. The mouthpiece may be two or three pieces. A three-piece, connecting ring of 1 1/4" (32 mm) or less in diameter, or a connecting flat bar of 3/8" to 3/4" (10 mm to 20 mm) measured top to bottom, with a maximum length of 2" (50 mm), which lies flat in the horse's mouth, is acceptable. Optional leather strap attached below the reins on a snaffle bit is acceptable. Bit means the use of a curb bit that has a solid or broken mouthpiece, has

shanks and acts with leverage. All curb bits must be free of mechanical device. Shanks may be fixed or loose; concerning mouthpieces, bars must be round, oval or egg shaped, smooth and unwrapped metal of 5/16" to 3/4" (8 mm to 20 mm) in diameter, measured 1" (25 mm) from the cheek. However, wire on the sway bars (above the bars and attaching to the spade) of a traditional spade bit is acceptable. They may be inlaid but must be smooth or latex wrapped. Nothing may protrude below the mouthpiece (bar), such as extensions or prongs, including upward prongs on solid mouthpieces. The mouthpiece may be two or three pieces. A three-piece, connecting ring of 1 1/4" (32 mm) or less in diameter, or a connecting flat bar of 3/8" to 3/4" (10mm to 20 mm) measured top to bottom with a maximum length of 2" (50 mm), which lies flat in the horse's mouth, is acceptable; the port must be no higher than 3 1/2" (90 mm) maximum, with rollers and covers acceptable. Broken mouthpieces, half breeds and spades are standard; gag bits, donut and flat polo mouthpieces are not acceptable; a curb bit must be used with a curb strap or curb chain properly attached so as to make contact with horse's chin;

17. A horse of any age may be shown in any legal bridle, snaffle or hackmore as described without incurring any penalty. A horse shown in a bridle (any bit that is not a snaffle or hackamore) must be shown one handed in romal or split reins. Showing two handed, or touching a rein with a second hand, in any legal bridle will result in a score of zero.
18. It is recommended for safety reasons that a breast collar and back cinch should be used.

Self Adjusting Monitor System

1. Definition: A self-adjusted monitor system may be used when judging the reined cow horse. **A single judge, in a Self-Adjusted Monitor System, may call for a review of any of the major penalties listed in IV.1 - IV. 2. In a multiple judge system,** when there is a major penalty marked by at least one judge, and at least one of the other judges did not mark it, a review of the penalty is mandatory. Major penalties shall be defined as follows:
 2. **In the rein work, a 2 point penalty or greater, with the exception of marker penalties and cumulative lead penalties may be reviewed.**
 3. **In the cow work, 2 point penalties and above may be reviewed.**
 4. **A judge in a single or multiple judged situation should mark his/her card with an "R" to indicate a review is needed for penalties mentioned in IV.1 - IV. 2. The review should be communicated to the announcer in lieu of a score.**
 5. **During the review, in a multiple judge situation, each judge will have an opportunity to reassess the penalty in question. Until the review is complete and a final decision is made, the penalty shall remain on the score card(s) as originally marked. Once the review is complete, the judge(s) will mark in the appropriate score. For judges who add a penalty or take one away at the time of review, they should either strike**

through the penalty legibly or add it and circle it to show it was added. The previous score should be struck through and the new score circled to the side of the score box with the judges initials.

6. Show management has the right to consult the judges at any time regarding the Self-Adjusted Monitor System

Reined Work - Maneuver Scores for Reined Work: Score sheets and reining patterns are available from the NRCHA or NHSRA website. The NRCHA has divided each rein pattern into sets of maneuvers. It is the judge's responsibility to evaluate these maneuver groups individually and rate each maneuver group on the following scale:

- 1 ½ Extremely Poor
- 1 Very Poor
- ½ Poor
- 0 Correct
- +½ Good
- +1 Very Good
- +1 ½ Excellent

Reined Work: Horses shall work individually. Judging begins the moment the horse enters the arena. There will be no schooling from the time the horse enters the arena. A reined work must consist of the following: circles, lead changes and runs terminating in well-balanced stops straight to the line of travel, turns and a back-up of a reasonable distance with slight hesitations denoting each maneuver. ~~The judge may deviate from traditional order of performance and he/she may also deviate from the official pattern(s).~~ Any modifications to the pattern(s) must be posted 1 hour prior to the start of the cow horse event. The judging ends when the rider indicates he/she is finished by coming to a complete stop.

Praising or rewarding of the horse is only allowed after the reining pattern is complete and before the exhibitor calls for a cow.

The best reined horse shall be easily guided or controlled with little or no apparent resistance. Bad manners exhibited by the horse will be penalized. All deviations from the exact given pattern will result in an automatic score of 50 and the run may be subject to further penalties **must be considered failure to complete the pattern as given and marked down accordingly.** Credit shall be given for the smoothness, finesse, attitude, quickness, and authority of performing various maneuvers while using controlled speed which raises the difficulty level and makes the horse more exciting and pleasing to watch.

Circles: Circles are a controlled maneuver at the lope in the designated area of the arena. Emphasis on the scoring shall be given to the contestant exhibiting smooth, controlled figure eights with easy lead changes. Right and left circles shall have a common center line in the middle of the designated area. Circles shall be run and/or begun on the correct lead. The speed and size of the right circles shall be exactly the same as the speed and size of the left circles. The horse shall lope in an even, fluid manner with

a minimum of rider contact and/or commands. Circles shall be run far enough from arena wall that it does not affect the circles.

Lead Changes: The act of changing the propelling side of the horse's body when changing the direction traveling at a lope.

The lead change must be executed at a lope with no change of speed or gait. The horse shall change leads at the exact location dictated in the pattern description and not changed in the same stride or the lead change may be a flying lead change or a simple lead change. The simple lead change may **should** involve up to 3 strides of jogging. It is important to note one stride is defined as the complete movement or steps of all 4 legs, **at** one time.

Jogging: ~~Jogging beyond 2 strides will incur a 2-point penalty. Jogging in excess of one-half circle or one-half the length of the arena will result in an automatic score of 60 and the run may be subject to further penalties.~~ **Jogging up to 2 strides incurs a ½ point penalty, jogging beyond 2 strides will incur a 2 point penalty. Jogging in excess of one-half circle or one-half the length of the arena will result in a score of 0. In determining whether a ½ or 2 point penalty has been incurred, it is useful for a judge to consider the distance traveled and to count the steps of the rear legs. Four steps and under would represent 2 or less strides and require a ½ point penalty; 5 steps and more, therefore, would require a 2 point penalty.**

Run-Downs: Runs lengthwise through the arena. They shall be made as described in the given pattern, unless the judge indicated otherwise due to arena conditions. The horse shall demonstrate a relaxed fluid attitude when starting a run-down and throughout the maneuver. The horse shall use controlled speed consistent with the size of the arena and the condition of the ground. The horse shall travel in a straight line with a minimum of contact with the rider. Straight, controlled run-downs with square, smooth stops, maintaining suppleness and proper head position are desirable.

Stops: Shall be in line with the direction of travel. Horse shall have its hocks well under it during the entire stop, maintaining a proper head position and response to a light rein.

Spins: Consistent and positioned 360-degree turns ~~executed with the inside hind quarter (pivot) remaining stationary.~~ Spins shall be smooth and efficient. The location of the hind quarters shall be fixed at the start of the spin. The horse shall stop the spin exactly as dictated by the pattern description. The right and left spins shall have a similar speed and balance.

Back-up: The horse being caused to move in a reverse motion in a straight line for a required distance. The horse shall begin the backup in a controlled manner and shall continue to back-up without hesitation until directed to stop by the rider. In the instance where a horse backs up where a back-up is not specified in the pattern, ~~a 3-point penalty~~ **the penalty score of 0** will be incurred when the horse backs more than 2 full strides. It is important to note one stride is defined as the complete movement or steps of all 4 legs, one time. In this particular situation it is very helpful for a judge to watch and count the steps of the front feet. Up to and including 4 steps of the front feet in the not required

back-up receives no penalty; five steps and beyond constitutes a 3-point penalty **the inclusion of a maneuver not specified and thus a penalty score of 0.**

Hesitate: Hesitation is only long enough to show the completion of one maneuver before the next one starts. There shall be slight hesitation to indicate each maneuver.

Definition of fall of horse: When the horse's shoulder and hip are on the ground and all four feet are facing in one direction. Fall of horse in any event receives a score of -0- for that part of the run.

Definition of fall of rider: Rider is no longer astride the horse.

Reined Work - Penalty Points:

1/2-point penalties:

- Over or under spin 1/8 turn
- Jogging first **two** strides

1-point penalties:

- Out of lead
- Scotching or anticipating a stop
- Over or under spinning up to 1/4 turn
- Excessive whipping or spurring (Over and Under)

2-point penalties:

- Lead missed around end of arena past 2nd corner
- **Not ever changing leads in patterns where there is only a 1/2 circle**

- Failure to run by marker before stop is initiated
- Freezing up in turn
- Jogging for more than **beyond** 2 strides, except when executing a **simple** flying lead change
- Breaking gait (Break of gait is defined as "when the cadence of the lope is disrupted or not maintained." Break of gait only occurs from the lope gait and where a lead change is not expected)
- On trot in patterns, failure to "Stop" before executing a lope departure
- A stop in the first one-quarter of the circle, after a lope departure, is a break of gait
- **At end of pattern, failure to hesitate to demonstrate completion of pattern.**

3-Point Penalties:

- ~~Backing more than two strides, when backing is not called for~~

5-point penalties:

- Spurring or hitting in front of cinch at any time
- Blatant disobedience, defined as kicking, biting, bucking, rearing, striking, or obviously insubordinate

10-point penalties:

- ~~carrying a quirt or bat~~
- ~~60- Score~~
- ~~Jogging in excess of one-half circle or one-half the length of the arena~~
- ~~50- Score~~
- ~~Failure to complete the pattern as given (i.e. over or under spin more than 1/4. may be subject to further penalties.)~~
- ~~0- Score:~~

-Failure to complete the pattern as given (i.e. over or under spin more than 1/4)

-Two hands on the reins when using a bridle or two rein

-Fingers between the reins when using romals, except in the two rein

-Horse balking

- Bloody Mouth (inside)

- Illegal Equipment

~~- Using two hands on the reins in a bridle; romal definition: If the hand holding the romal touches the closed part of the reins it is considered two hands on the reins. Fingers between the romal reins.~~

- Leaving the working area before pattern is complete

- Fall of horse or rider

-Backing more than two strides, when backing is not called for

-Jogging in excess of one-half circle or one-half the length of the arena

-Improper Western Attire

-Failure to work in the proper working order

- A judge may blow his/her whistle at any time to terminate the work. A score of zero will be given if the work is not complete at that time

N-E

- Failure of an exhibitor to attempt to work the pattern

No Score

- Abuse

- Lameness of the horse

Leads and Lead Change Penalties: A judge is required to penalize a horse ½ of a point for a delayed change of lead by one stride. The penalty for being out of lead is cumulative, and the judge will add 1 penalty point for each 1/4 of the circumference of a circle or any part thereof that a horse is out of lead.

Cow Work

1. Cow Work: **“The most important point when working a cow is for the horse to have the advantage or be in control of the cow. At the same time, the horse should exhibit a smooth willingness to do his job. He should respond to a light rein and show good manners in his face and body.” – Bobby Ingersoll.**

2. **Judging begins when the contestant enters the arena.**

3. **There shall be no schooling between the completion of the rein work and cow work, when the cow work immediately follows the rein work; the penalty for this will be a zero.**

4. **Pattern: The required pattern for the cow work is: boxing, fence turns and circles, in that order.**

~~Cow Work-~~

~~Cattle will be chute run, not drawn.~~

Whistles: The judge may blow his/her whistle at any time during the work. One whistle to terminate the work, two whistles to award a new cow. If the judge feels the exhibitor is out of control or has exhausted the cow, he/she may terminate the work. If the judge

awards a new cow, the exhibitor must accept the new cow or the score will result in a zero (0). ~~If the exhibitor intends to accept the new cow, he or she must pull up immediately.~~ With a multiple judge system, any one of the judges may terminate the work or signal for a new cow.

If at any time a judge feels that the contestant is out of control endangering themselves and/or their horse, the judge may terminate the work, and a score of zero will be given. In the case of an emergency (Such as a person falling into the arena or part of the arena falling apart) the judge may blow two whistles for a second time. At this point, the contestant has no option to continue and must receive a new cow. Contestant must pull up immediately or a score of zero will be given. Judging ends when the whistle blows. A score of zero will be given if the work is not complete at that point.

In the case that a rider is awarded a third cow, the rider will have the option to work their new cow or to rest their horse and work their new cow at the end of the next set, If the rider is in the last set of the class they shall be afforded up to 20 minutes for their horse to recover before working the third cow.

In the cow work phase of any class one hand on the horn may be used to prevent the fall of the rider. During the cow work, when a cow leaves the working area, it is automatic that the contestant will receive a new cow and scoring will begin again with the new cow.

A. **Boxing:** ~~Working the cow on the end of the arena until such time as the contestant has proven the ability of the horse to hold the cow.~~ **At the start of the work, each contestant, upon receiving a cow in the arena, shall hold that cow on the prescribed end of the arena for a sufficient time to demonstrate the ability of the horse to contain the cow at that end.** The horse should exhibit superior cow sense and natural cow working ability without excessive reining or spurring. In the head-to-head working position, the degree of difficulty shall be considered.

B. **Turning: After a reasonable amount of time, the contestant shall take the cow down the fence, making at least one turn each way on the fence. The contestant must get a minimum of one turn in each direction when attempting the fence work. To qualify as a turn, the exhibitor must be in position to control the animal and be the cause of the animal to change course. During the turn, the horse should use himself in a controlled athletic manner, using its hocks to stop and drive out of the turn, while using its front end to balance and turn. More than two good turns in each direction should not result in extra credit but also should not be penalized unless the cow is thereby too exhausted to circle correctly. One turn each way may not necessarily result in extra credit if the horse and/or cow are out of control.**

C. Types of Turns

a. **Fence Turn: A turn in which the cow, while being run down the fence on one side of the arena is turned in a different direction and held near the same fence while being run in**

the new direction. The exhibitor must be close enough to the cow to be the cause of the turn. The situation where a horse and rider attempt to turn the cow and the cow exits the turn behind the horse is also considered to have satisfied the fence turn requirement. The route of the cow being worked has been altered because of the influence of the horse and rider.

b. Open Field Turn: A turn in which the cow, while being run down the arena more than 20 feet away from the perimeter fence is turned in a different direction and held on the same side of the arena, while being run in the new direction. The exhibitor must be close enough to the cow to be the cause of the turn.

c. Circling Turn: A turn in which the horse, while attempting an open field turn does not use its hocks to stop and drive out of the turn, but instead continues forward motion and guides or 'circles' the cow into the new direction. If an exhibitor performs a circling turn as the second turn of a two (2) turn run, then they must show separation between the second turn and the first circle. To avoid a 2C penalty, they must then change sides on the cow after completing the circling turn and before beginning the first circle.

Turning on the fence: A fence turn is defined as: A turn in which the cow, while being run down the fence on one side of the arena; or in the "open field", is turned in a different direction and held near the same fence, or the same side of the arena, while being run in the new direction. The exhibitor must be close enough to the cow to be the cause of the turn.

The situation where a horse and rider attempt to turn the cow and the cow exits the turn behind the horse is also considered to have satisfied the fence turn requirement. The route of the cow being worked has been altered because of the influence of the horse and rider. The actual stopping or turning of the cow by the end fence will not qualify as a fence turn. To qualify as a fence turn the turn must be accomplished without the aid of the end fences to actually stop or turn the animal being worked. During the turn the horse should use himself in a controlled athletic manner, using its hocks to stop and drive out of the turn, while using its front end to balance and turn. When attempting to make an open field turn, it is preferable to separate the turn from the circles. This can be accomplished by making an open field turn, then changing sides before circling, or briefly hesitating after the open field turn before attempting to circle the animal in the same direction. In either case it is important to show separation in the circle and turn maneuvers.

The contestant must get a minimum of one turn in each direction when attempting the fence work. More than two good turns in each direction should not result in extra credit but also should not be penalized, unless the cow is thereby too exhausted to circle correctly. One turn each way may not necessarily result in extra credit if the horse and/or cow are out of control.

Circling: The contestant shall take the cow to an open part of the arena and maneuver the cow smoothly at least 360 degrees

in each direction without interference from the fence. The circle's size, symmetry, speed and relative balance from right and left show control. ~~Tightening the circles down with fast head-to-head speed will be a credit situation. Once a rider has committed to circling a cow, if the cow falls down no new cow will be awarded. The rider should complete the run by riding around the fallen cow to fulfill circling requirements.~~ **Tightening the circles down with fast head-to-head speed will be a credit situation.** The circles should be completed before the cow is exhausted.

Run Content:

- A. The judge should take into consideration the size of the arena, condition of the ground and disposition of the cattle in scoring each work. If ground, arena and/or weather conditions are deemed unfavorable by the show management, they may inform the judge and decide to alter the required cattle work for safety reasons.**
- B. The greater the difficulty of the run, the more credit should be given. The difficulty may be due to the extreme speed or stubbornness of the cow, or the cow's reluctance to move down the fence when sufficiently driven by the contestant. The most controlled cow work, with the highest degree of difficulty, that exhibits good form throughout, should be marked the highest. Bad manners exhibited by the horse will be penalized under run content.**
- C. In the cow work phase of any class one hand on the horn may be used to prevent the fall of the rider. Holding the horn excessively may be penalized under run content.**

New Cow:

- A. When enough cows are available, the contestant should receive a new cow if the cow drawn is unreasonably difficult or unworkable. The judge will indicate new cow by blowing his/her whistle twice – indicating the awarding of a new cow. Allowing the horse to quit working before the judge signals for a new cow will result in a zero score. If the judge awards a new cow, the exhibitor must accept the new cow. The exhibitor must initiate the pull up immediately: instantly, at once, without delay. If the exhibitor is using a bridle or two-rein setup, he/she must not use two hands at any time; either when pulling up from the cow being worked, or while waiting for the new cow. From the time the exhibitor enters the arena until the final whistle, signifying the work is complete, the pair are being judged. If two hands are used on the bridle reins at any time, a score of zero will be applied. With a multiple judge system, any one of the judges may terminate the work or signal for a new cow.**
- B. In the case of an emergency (Such as a person falling into the arena) or part of the contestant has no option to continue and must receive a new cow. Contestant must pull up immediately or a score of zero will be given.**

- C. During the cow work, when a cow leaves the working area, it is automatic that the contestant will receive a new cow and scoring will begin again with the new cow.
- D. Once a rider has committed to circling a cow, if the cow falls down no new cow will be awarded. The rider should complete the run by riding around the fallen cow to fulfill circling requirements.
